HUNTER - FLORIST

Now that spring's in full swing, you'll want to enjoy plenty of daytime playtime. And you can... if you plan easy-to-fix dinners. One of my favorites features spaghetti-meat casserole as the main course and delicious shortcake for dessert. Want the recipes? Read on!

FOOD FORETHOUGHT

An emergency food shelf simplifies cooking no end. And among the wife-savers I always keep on mine are A&P's tasty IONA TOMATOES. Like all A&P's IONA BRAND CANNED GOODS, they're Grade C, which means they're just as nutritious as A&P and SULTANA (A&P's A and B grades), but cost less. The chief difference is in size and appearance, so they're ideal for use in dishes like the one below.

CORNER-CUTTING CASSEROLE

Brown 1½ lbs. hamburger and 1 large onion (chopped) in 1 tbsp. fat; add an 8 oz. package of A&P's ANN PAGE SPAGHETTI cooked according to package directions, 2 tsps. salt, ½ tsp. pepper, 1 #2½ can (3½ cups) IONA TOMATOES and 1 can tomato soup. Pour into greased casserole; sprinkle with buttered crumbs, and bake 30 minutes in moderate oven, 350°F. Serves 6.

SHORTCAKE IN SHORT ORDER

This is shortcake season at my house, but that doesn't mean extra work for me. My recipe for shortcake is short and sweet—thanks to oven-fresh JANE PARKER POUND CAKE from the A&P. I simply cover thick slices of this light and luscious cake with strawberries or peaches, and top them with whipped cream. Could anything be easier to make... or to take?

FAST FEAST FOR FIDO

When you're having a meatless meal or going out for dinner, don't be like Mother Hubbard! Keep DAILY DOG FOOD in your cupboard, and you won't have to disappoint your dog, come dinner-time. This nourishing canned dog food is ready to eat, and so good that the most particular pup will be ready to eat it at the drop of a can opener. It's available in Fish, Meat or Cheese flavor, and mighty attractively priced at the A&P.
