FRIENDSHIP GIRLS WIN OVER RIDGECREST, 11-10

Quinn, Ridgecrest hurler, gave only four hits to F. C. only to see her team mates commit 11 errors that helped F. C. pull the game out of the fire with a fifth inning rally that scored three runs to give Madeline Fortune and her Friendship girls a one run victory. The winning run was scored by Addie Ellen Stephenson with two out. Ridgecrest got nine hits including a homer by Bailey.

Softball Rules—

(Get these in mind before you go to another game. You will enjoy the game more. For the benefit of clarity some of the technical words are omitted.)

1. A base runner is out if he fails to avoid a fielder attempting to field a batted ball. In other words if a person is fielding the ball in the base line the runner must avoid running into him or may be called out.
2. If a baseman catches a ball before the runner gets there, and is still juggling the ball, the runner would be safe.
3. The plate umpire is the chief umpire and is responsible for the proper conduct of the game.
4. An umpire may reverse a decision, if he finds he has erred in judgment or after a consultation with the other umpire.

If a pitched ball passes the catcher and touches any fence, building or backstop within twenty-five feet of the plate, all base runners are entitled to advance one base.

5. On overthrows that go out of the playing field and hit some kind of obstruction, the baserunners are entitled to advance one base. If no obstruction is hit, they may advance at their own risk.
6. If a baserunner misses a base and decides to return, he must run the bases in reverse order. For example a man hits a homer, misses second base and after crossing home plate decides to go back. He would have to follow the base lines, touch third and go back and touch second.
7. If a batter is hit by a pitched ball he is entitled to take his base. However, he must make an effort to get out of the way of the ball, or the umpire will call the pitch a ball or strike.
8. By a grounds rule of the league; if a pitched ball hits the ground and bounds into the hitter, the pitch shall be called a ball.
9. At least five innings must have been played before any game may be called a regulation ball game.

NORDHIELM LEADS METHODISTS TO VICTORY

The Methodists and Orphanage caught up with the rest of the league as they played in a preliminary to the All-Star game on Friday evening. The Orphanage took an early lead and the Methodists had to make a desperate rally to win in an extra inning. Nordhielm again led the hitters with four for five, including a triple. Cooper had a homer for the greatly improved Orphanage team while Packett and V. Cooper came through with doubles.

METHODISTS TROUNCE PRESBYTERIANS IN OPENER

The Methodists made their debut Thursday night by thumping the Presbyterians, 21 to 8, in a free scoring contest. Big cannons for the winners were Nordhielm and McDonald with four hits out of five tries. Knoefel and Tinney got extra base blows for the losers.

The Millers jumped off to a five to one lead in the first two innings but saw the Friendship boys slip ahead with a two run blast in the fourth.
