#### **City Officials Vote** For The Removal Of **All Parking Meters**

The' parking meters which were installed here 11 months ago on a trial basis, will be removed. This was decided by the city council and mayor at a regular meeting held Tuesday night at the city hall. The vote; was unanimous.

"Parking meters are dead as of now," the officials said, "but we ask the cooperation. of all motorists in keeping the congested areas as clear as possible."

Although the meters will not be used after this date, it will be several days, probably weeks, before the company to whom they belong will be able to remove them. If they had been kept after the August 1 deadline, the town would have been charged with their entire cost. They were installed on a one year trial basis.
