

NEWS FOR Veterans

Of the six permanent plans of G. I. Insurance, the 20-payment life plan has proved most popular with World War II veterans, the Veterans Administration has announced.

More than half of the 1,500,000 permanent G. I. Insurance policies in force are 20-payment life policies, the VA said. Under this plan the veteran pays his regular premiums for 20 years. Second most popular permanent insurance plan is the 30-payment life. Ordinary life is third choice among veterans. The various endowment plans are least popular.

Permanent policies now amount to more than \$6,500, 000,000 worth of insurance, VA explained. However, nearly 5,000,000 World War II veterans have not yet converted their temporary insurance to permanent forms of G. I. Insurance.

More than a million and a half veterans were in training under the provisions of the G. I. Bill on September 1, 1948, the Veterans Administration reported.

Over half - 871,000 - were studying in schools and colleges, with 267,000 enrolled for institutional on-farm training and 414,000 taking training on the job.

Q—I am a disabled veteran. Am I entitled to increased compensation because of my dependents?

A—If your disability is 60% or more, you should submit to Veterans Administration documentary evidence of the existence of a wife or child or evidence of dependency of your parents so that you may qualify for increased compensation payments under Public Law 877 of the 80th Congress.

Q—My father is supporting a large family. May I claim him as

Oakley Third Pony Victim

Unbeaten Black Mountain whipped Oakley 19-0 Friday for its third straight victory this season.

Coach Byrd's boys unleashed a powerful ground attack that swept Oakley off its feet by rolling up 172 yards rushing.

The Darkhorses threatened in the first quarter with Reese taking the ball on Oakley's 40 yard stripe and scooting 16 yards before being dropped. Several plays later Reese passed to Capps to make it first and 10 on Oakley's 10 yard line only to lose the ball on downs.

Coming back in the second quarter, the Darkhorses used a varied attack of reverses and end runs that took them to the 10 yard line, there Reese passed to Gregg for the marker. Reese converted to give the Darkhorses a 7-0 half-time lead.

Max Morris blocked an Oakley punt on the three yard line which Rice pounced on. On the next play, Hughes, an Oakley back who played a brilliant offensive game, grabbed a Darkhorse fumble and raced 95 yards for a marker only to have it called back. Several plays later White plunged over from the one foot line to ice the game for the Darkhorses. A pass for the extra point failed.

Glenn set up the third Darkhorse score when he pulled in an Oakley punt on the fifty yard stripe and ran behind the best blocking of the game to the five yard line before being pulled down. A few plays later White again slammed

over from the one foot line to end all scoring of the game.
