**Pay Your City And  
County Taxes Now**

Unpaid Taxes Will Be  
Delinquent After  
February 1st

Give yourself and family a paid tax bill for Christmas. It's an excellent present and a money-saver, too!

Because, first — you may deduct local taxes on your Federal and State income tax returns. Second — by law, you are charged heavy penalties and interest if your taxes become delinquent.

Third — when you pay a tax bill you are not contributing to the threat of inflation.

You will be happier Christmas and face a more prosperous New Year if you pay your city and county taxes now.
