**NEWS FOR
Veterans**

World War I and II veterans who become permanently and totally disabled for reasons not traceable to their war service may be entitled to pensions under certain conditions, the Veterans administration said.

To be eligible for such a pension, a veteran must have been discharged under conditions other than dishonorable after 90 days service, or else discharged for service-connected disability, VA explained. His income also must not exceed \$1,000 per year if he is single, or \$2,500 if he is married or has a minor child, it was pointed out.

The monthly pension rate for veterans in this category is \$60. This is increased to \$72 after ten years or when the veteran reaches 65.

Funeral expenses, up to \$150, may be paid by the government in the death of any World War I or II veteran discharged under conditions other than dishonorable, the Veterans Administration points out.

These allowances, VA said, are payable only to undertakers or to reimburse the person who paid the veteran's funeral expenses. Claims must be filed with the VA within two years from the date of permanent burial.

Q—Can my National Service Life Insurance include coverage for total disability?

A—Yes. For a small additional premium, there may be added to any NSLI policy a total disability rider which provides monthly payments to the insured while he is totally disabled longer than six consecutive months. Such pay-

**Rev. Walden Goes
To Wake Forest**

The Rev. Henry E. Walden has resigned from the pastorate of the Old Fort Baptist church which he has served for the past twenty months, to accept work at Wake Forest college.

The resignation which was received at the eleven o'clock service on Sunday will become effective on January 18 when Dr. Walden will leave with Mrs. Walden and their children for their new home.

He will assume his duties as assistant professor of Religion at Wake Forest on January 27. In addition to the call to work, Dr. Walden has been appointed by the State Baptist convention to serve as secretary of the department of Rural Church work, a department created at the last state convention.

North Carolina is the first state in the convention to adopt this program of rural work.

Since coming to Old Fort Dr. Walden has been active in all phases of church work. He is recognized as a leader in his field, not only in Old Fort, but in the county and district.

ments begin with the seventh month of such total disability.

Q—May I assign my National Service Life Insurance to a lender who will lend me money to go into business?

A—No. National Service Life Insurance may not be assigned as payment of an obligation.

Q—I converted my NSLI about a year ago but have since let it lapse. Can my permanent plan insurance be reinstated by the payment of two monthly premiums?

A—No. Only term insurance may be reinstated by the payment of two monthly premiums. In reinstating converted insurance on a permanent plan, all premiums in arrears must be paid with interest.

NEW YEAR GREETINGS to our Friends and Customers and a Little Prayer for them and ourselves

WE SHOULD STRIVE TO BRING WHAT HAPPINESS WE CAN TO OTHERS. MORE STILL, WE SHOULD STRIVE TO BRING THEM NO UNHAPPINESS. WHEN WE COME TO DIE, IT IS NOT OUR KINDNESS, OR OUR GENEROSITY THAT WE SHALL REGRET, BUT OUR INTOLERANCE AND OUR HARSHNESS.

A LITTLE PRAYER

That I may not in blindness grope,
But that I may with vision clear,
Know when to speak a word of hope,
Or add a little wholesome cheer.

That tempered winds may softly blow,
Where little children, thinly clad,
Sit dreaming, when the flame is low,
Of comforts they have never had.

That through the year which lies ahead,
No heart shall ache, nor cheek be wet,
For any word that I have said,
Or profit I have tried to get.
