If you visited his home in Raleigh, you would readily see why Carlisle Franks, 17, has been named State winner in the 1948 National 4-H Home Improvement program. Carlisle refinished and rearranged the furniture in his bedroom, painted the kitchen and dining room woodwork and all the kitchen furniture, and helped re-roof the house and remove an unwanted porch. During five years in 4-H he has completed 11 projects, including two in home improvement, and has served his local club as president, vice-president, and secretary. In recognition of his achievements, The Sears-Roebuck Foundation is providing Carlisle with an all-expense trip to the National 4-H Club Congress, Chicago.

The Kerr family of Castle Hayne has no worries when it comes to being supplied with a variety of healthful foods all year round. Canning 2,595 quarts of vegetables and fruits helped 4-H'er Mary Alice Kerr, 17, win State honors in the National 4-H Canning program. In her 7 years of club work, she also planned, prepared, and served 2,389 meals, made 49 garments, and made 30 improvements in her room. She has completed 35 projects with an income of \$8,616. She was reporter for her local club and president, secretary, and reporter for the county. She is now a leader. Mary Alice was provided an all-expense trip to the National 4-H Club Congress, Chicago, by the Kerr Glass Mfg. Corp. as recognition for her outstanding achievements.

For the skill and knowledge shown in the planning, selecting, constructing and assembling a cotton dress which won first place in the state 1948 4-H Dress Revue, Peggy Carmon, 16, Gibsonville, won a trip to the National 4-H Club Congress, Chicago. Her winning outfit is a pale orchid cotton dress made with low round neck and cap sleeve. The skirt has three tiers, each tier very wide and full and corded where it joins the other. She made a three tier half slip of all ruffles; it makes the dress stand out as if it were a hoop. Peggy wears a picture hat, frilly gloves and sandals to complete her outfit. The cost of her outfit was \$24.71 including all accessories. State winners who participate in the National 4-H Dress Revue at Chicago will each receive a \$25.00 U. S. Savings Bond from Simplicity Pattern Company, which also provided the National Club Congress all-expense trips.
