Borough Named Sales Manager

Appointment of Randal B. Borough to the newly-created position of car sales manager was announced today by C. Gordon Johnston, Charlotte district sales manager of the Ford Motor company's Ford Division.

Mr. Borough will supervise new car sales in North and South Carolina in his new assignment. He formerly was used car and truck sales manager for the Charlotte district.

Creation of the car sales department was necessitated by the continued development of this area as a center of automotive sales activity, Mr. Johnston said in announcing the appointment. Mr. Borough joined Ford in January, 1946, four days after his discharge from the U. S. marine corps. He was a student in the company's orientation course and then was appointed administrative assistant in the truck and fleet sales department at Dearborn.

players have revealed themselves in these games, and should afford some new talent for the varsity when next basketball season rolls around.

Several practice teachers from Montreat college have been teaching here this week. The Journalism Club had an April Fool's party on Friday night, March 31, in the high school lunchroom. Approximately 35 people were present. Each member of the club was allowed to bring one guest, however all members were not present, since there were several other activities on the same night. Round dancing and square dancing was enjoyed by those present, and several "acts" were given by some of the members of the club, after which refreshments were served. Tommy Spence served as master of ceremonies.

Plans are in the making for an "open house" in the near future, where all the parents can attend and have an opportunity to see how the different classes are taught. After this, lunch will be served, and the event will be concluded with a field day. This will consist of different athletic activities, such as the hundred yard dash, the running broad jump, high jump, sack race, and many other activities. The one which was held last year was very successful.

EASTER PROGRAM

There will be an Easter program at the Church of God Sunday evening, April 9, at 7:30 p. m. Everyone is invited to attend.
