Your Roof & Siding Job Is Only As Good As The Materials Used

An Allred Job Will

- Insulate and beautify your home.
- Stop your painting forever

An ARMY IS ONLY AS GOOD AS ITS GENERAL. The general is good only if he has good materials, men, and ammunition.

A SIDING OR ROOFING CREW is only as good as the contractor who is responsible for its work and knows how it should be done, and will see to it that it is done RIGHT.

There is beyond any doubt a vast difference in asbestos sidings. Cheap and inferior material will streak and separate and crack easily. Good siding is opate white, does not stain easily, and lasts indefinitely.

IN ROOFING, likewise, there is a great difference. Some of it is just roofing and some is 20 year roofing.

We Guarantee Our Jobs 10 and 20 Years, Labor and Materials.

Let us secure your FHA loan for you. You have up to 30 months to pay. NO MORTGAGE. NO LIENS, NO BOTHER.

Call us and let us show you several of our roofing and siding jobs. Such as the old Cauble house, across from the Mountain View Texaco Station in Black Mountain, the beautiful Monte Vista Hotel, and a large number of houses in Black Mountain and other towns.
