

NEWS FROM
**BROAD RIVER
CHURCH**

The members of Broad River church are proud to announce that their church is in better harmony and better working condition than it has been in quite a few years. The people are striving for unity and brotherly love and God is blessing their efforts. The interest in the Sunday school is growing and everyone takes part in the discussions. That makes everyone get more out of it.

The singing last Sunday was better than ever and almost every seat in the church was taken. That's the way Broad River, Stone Mountain, Bald Mountain, Black Mountain, Bat Cave, and other communities like to get together and spend their Sunday afternoons.
