Customers' Corner

Courtesy doesn't add anything to the high quality or superior value of the food you buy at A&P.

But it is the ingredient that makes your shopping trip a pleasant experience rather than a tiresome task.

That is why the men and women who operate your A&P work hard not only to give you prompt and efficient service, but to be courteous and friendly, as well.

They know that even the pressures of rush-hour shopping are no excuse for rudeness.

If they ever fail to make your trip to A&P a pleasant one, they want to know about it. Please write:
