Darkhorses Win Turkey Day Bowl Bid As Co. Champs

The Black Mountain High Darkhorses accepted the bid to the Smoky Mountain Bowl, after defeating the Swannanoa High Warriors 33-0 Friday afternoon at Swannanoa. The Smoky Mountain Bowl game is played every year on Thanksgiving Day in the Swain High stadium, Bryson City.

Black Mountain played in the first annual Smoky Mountain Bowl game in 1949 in which they fought to a 0-0 tie with Bryson City.

In last Friday's game, Black Mountain scored in the opening seconds when McMahan scored a 62-yard touchdown with the first play from scrimmage. The try for the extra point was no good and Black Mountain led 6-0.

In the second quarter, the Darkhorses scored again when Dick Ramsey returned a kick by Ken Woods from his own 45 to Swannanoa's 24. White, Atkins, and McMahan alternately carried the ball, McMahan going to the 8. White went over on first down, but was called back and penalized 5 yards. White again pulled the ball around the end for 13 yards. This time the play was good and —Turn to Page 8, this Sec.

Mr. McMurray spoke of her as a friend and a great musician. He read the 23rd Psalm, the 14th chapter of St. John and the 21st chapter of Revelations. Dr. Spence spoke of her connections with Montreat college and her great influence for the best in music. He spoke of her annual concerts in Gaither hall and of how much they meant to all who were fortunate enough to hear them. He closed by reading an original poem dedicated to Mrs. Adams. The Rev. On the evening of Nov. 9, at the Black Mountain club house, St. Margaret Mary's Catholic church had a covered dish supper. This occasion was taken to show deep appreciation to the men of the parish and community who have been so tangibly helpful in the up-keep of the parish buildings. A mythical St. Margaret Mary Academy of Practical and Industrial Sciences was instituted and diplomas issued from it to these men. Right Reverend Monsignor Hugh Dolan, presently pastor of St. Benedict's, Greensboro, former pastor of St. Margaret Mary, and recently designated a Domestic Prelate by His Holiness, Pope Pius XII, congratulated the men for their very practical cooperation in the parish. A token of congratulation was presented to Monsignor Dolan by Mrs. Robert Whittington, president of the local Altar Society. Minister, Long A Resident, Mourned

The Rev. Albert L. Stephens, retired minister, who was widely known and greatly loved as a Baptist preacher and teacher in the field of religious education, passed away Nov. 10 at his home in Black Mountain, where he had resided for the past 30 years.

Mr. Stephens' services in reviving the Sunday school work of the Baptist churches in the state were sought after in many places, particularly in the rural area. His warm and approachable attitude of spirit won for him many friends as he went about preaching in the pulpit or teaching in the church's training schools.

The last rites were held on Nov. 12 at the First Baptist church, the Rev. J. N. Binford and Perry Morgan officiating. Burial was in Mountain View Memorial Park.

Pallbearers were J. H. McMillan, John H. Rice, Otty E. Lee-man, William Gudger, Lawrence Barnhill and Eugene Loven.

Mr. Stephens is survived by the widow, Mrs. Betrie B. Stephens; five sons, Carl W. of Brevard, Edwin W. of Black Mountain, Harry L. of Charlotte, and James M. and Ray M. Stephens of the U. S. Navy; four daughters, Mrs. S. J. Ressel, Mrs. F. A. Miller, Mrs. E. E. Smith and Mrs. R. A. Watson, all of Charlotte; nine grandchildren, and one brother, Charlie W. Stephens of Geraldine, Ala.

Billy Graham's "Mr. Texas" Film To Show

Billy Graham in "Mr. Texas" will be shown at the Swannanoa Presbyterian church Sunday night at 7:30 o'clock. This film has won wide recognition as one of the finest evangelistic pictures ever shown. At the premiere in Hollywood, the largest crowd ever to attend an opening show was present for this picture. It was made at Fort Worth, Texas, at the Will Rogers Memorial Coliseum. Kay and Jim Tyler, brother and sister, take a leading part in the picture with Mr. Graham.

The public is cordially invited to attend.

Do you want Santa and the Christmas Spirit to be in Black Mountain this year? The NEWS hopes to report next week that he is making arrangements to come.

Swannanoa School Safety Patrol — Halloween Carnival time at Swannanoa school was a big occasion in more ways than one. True, the crowning of the queen and king was exciting, the booths popular, the variety show and square dance fun, but the best thing about the entire "Fun Night" was that there was not a single act of vandalism, nor a single accident. This was due to the good behavior of the 1500 people present and to the good work of the School Safety Patrol. The Patrol was on duty with several men of the community. Under the direction of Captain Robert Dyer, the Patrol circled the buildings and grounds, unsmarled traffic, and assisted visitors in numerous ways. The Patrol is sponsored by the Swannanoa P-TA, and its faculty advisor is Miss Ruth White. It was a successful Halloween Carnival - socially, financially, and SAFELY. 'Rooming-In' For New-born Infants Gets A Boost

"Rooming In: Modern Medicine Goes Old-Fashioned" was the subject of an address given last week by Dr. Frank Howard Richardson before the pediatrician section of the Southern Medical Association in session at Dallas, Texas.

Rooming-in, as opposed to the general policy of segregating new-born infants in large hospital nurseries, is currently a subject for warm debate among doctors. Dr. Richardson said it was just one part of a snowballing return to recognized procedures of yesteryear. Attempts are growing, he said, to recapture some of the folkways which have been replaced by the highly scientific.

Rooming-in means that an infant is placed in a bassinet at the mother's bedside almost from the time he is born, "instead of herding him into a room with thirty other crying mites." The mother can cuddle and love her baby as long as she wants—but not a bit —Turn to Page 8, this Sec.

Water Supply Is Still Short

Although we have had a good deal of rain lately, the water in the reservoir is not much higher. At its lowest point the water was seven feet below the normal level. Recent rains raised this only 18 inches. So the restrictions already in effect are still necessary and must be continued, at least for awhile. If the rains keep up, we hope that restrictions can soon be lifted because the town is losing much revenue as long as they are in force.
