

Crowd Attends American Legion Holiday Dance

Commander John J. O'Connor, and W. W. Earley, chairman of the dance committee, expressed their thanks today for the generous support given for the American Legion Holiday Dance, at the Black Mountain club house on July 4. Shown here are a few of the couples that attended to dance to the music of Al Dunn and his orchestra. American Legion officials have received more than 50 requests to promote another dance within the near future. Tentative date for the second dance has been set for the last week of July. Stout Expresses Interest In "Sea To Sky" Highway

J. M. Stout, Montreat road, Black Mountain, has received a letter from his son, J. D. Stout, containing the following:

"That Black Mountain paper you sent had the article about the proposed road from Black Mountain to the Parkway. Glad you sent it. I was able to use it to good advantage in the office here and to send it on to Washington. We would be much interested in their progress."

J. Dean Stout is assistant to the chief landscape architect of Region 1, National Park Service, Richmond, Va., which includes all trails, roads, and military monuments east of the Mississippi. He is a graduate of Kansas State college and has been in the park service for 10 years.

More About— Burnett - Shope

From Page 1, Sec. 1
The Rev. Mr. Williams, former VA chaplain at Oteen, and famous for his stories of the mountains of Western North Carolina, will speak at 11:00 o'clock. At 12:30 p. m. there will be a picnic lunch served on the grounds.

Featuring the afternoon session will be special music by quartettes and choirs from Chunn's Cove, Biltmore, Reed's Memorial, Swannanoa, West Asheville, Riceville, North Fork, and many others.

Founded in 1916 the Burnett-Shope reunion has been held annually since. It was formerly held at Bee Tree but increasing attendance forced its removal to larger quarters.

William Cary Shope is president. Last year a member of the family, Professor Fred M. Burnett of Ridgecrest delivered the principal address.
