SPEAKING OF HOMEMAKING

USE CRANBERRIES THE YEAR 'ROUND

Although most people think of using cranberries only in the fall, they are excellent for use the year round. Fresh cranberries are in harvest now but the canned variety is obtainable all year. Sauces, relishes, pies, cakes, ice cream and many other uses can be made of these interesting berries.

Make your own cranberry juice by this easy method. Save the pulp to make jellied whole cranberry sauce.

1. Select fresh cranberries of good quality.
2. Pick over berries and discard stems, mushy berries, etc.
3. Rinse in cold water.
4. Combine fresh berries and water (cup for cup) in sauce pan.
5. Boil for about ten minutes, or until berries pop.
6. Strain berries and liquid through cheesecloth.
7. Cranberry juice may be put up without sugar but it will hold its color and flavor better if a small quantity of sugar is added at this point.

8. Return juice to saucepan and boil about two minutes.
9. Pour hot juice into sterilized jars, and seal at once.
10. Place jars in a hot water bath and process at a simmer (175 degrees) for 20 minutes.
11. Place jars in a dark, cool place for storing.

Jellied Whole Fruit Cranberry Sauce

To each cup cranberry pulp, left from preparation of juice or jelly, add 1/4 cup water, 1/2 cup corn syrup, and 1/2 cup sugar, bring to boiling point and cook together for about five minutes. Stir frequently to prevent burning. Seal in sterilized jars.

Here is a delightful recipe for cranberry fruit relish:

- 1 orange
- 1/2 lemon
- 1 cup crushed pineapple, drained
- 1 tsp. curry powder
- 1 can whole or jellied cranberry sauce

Put orange and lemon through food chopper. Combine with cranberry sauce and crushed pineapple. Stir in curry powder. Store in refrigerator overnight so flavors will blend.

Darkhorses Down Weaverville High By Score of 47-0

Weaverville proved little more than a brisk workout here Friday afternoon as the Darkhorses drove to their eighth straight victory over the Weaverville High. Only Swannanoa, a vastly improved team, stands between Black Mountain and a second straight county title.

The scoreless tie with Brevard is the only blemish on an otherwise perfect record for the locals.

Black Mountain scored twice in each of the first three periods and once in the fourth. Weaverville was never able to gain with any consistency against the defense thrown up by the Humphries-coached crew and never seriously threatened.

It was a case of too much LeVine, Atkins, and Parris in the backfield, and Smathers, Jones, and Corkran up front. The combination kept the visitors in a state of perfect confusion all afternoon.

The Darkhorses got the jump in the opening quarter. Dan Reese took the kickoff and raced to the 29. After Atkins was held to a short gain and a pass from LeVine to Calloway fell incomplete, Burgess zigzagged his way deep into enemy territory but the play was called back and the locals penalized back to the 20 yard line. LeVine stuck his toe in the pig skin for 70 yards, it rolling dead on the Weaverville 10.

The visitors picked up a first down on a series of plays before kicking to Burgess who ran from his own 40 to the Weaverville 30. LeVine, aided by some good blocking by his teammates, ripped through the line for a first down to the 17. Atkins kept the rally going with a two yard sprint over guard Gerald Burgess, who shows the opposition his hip and then makes it disappear, broke through center on the next play and went over standing up. Dan Reese made it 7-0 with a plunge through center.

John Corkran, kickoff specialist, sent a long boot deep into Weaverville territory. Browning made a nice run out but was hit by Swann, Buchanan, and Smathers and dropped his potato on the 38. Black Mountain recovered. Atkins rammed through the line like a runaway express train and made it 16 yards to the 32.

David Parris, who has become one of the county's outstanding signal callers, sneaked through for two yards to the 20. He then called on the old reliable, Jimmy LeVine, and the former Florida all-stater carried a host of tacklers with him down to the nine. While LeVine helped with the blocking, Parris sent Johnny Atkins over guard for the score. The point sailed wide of the uprights.

The quarter ended with no further threats by either team. But early in the second period the Darkhorses were stampeding again. LeVine, a fine defensive back as well as a star offensive player, intercepted a pass and scored but the play was called back and the locals set back to the 22. A minute later Reese turned left end for what looked like six points but the play was again nullified and Black Mountain penalized to the 24 yard line for clipping. Weaverville stopped the threat a few plays later by intercepting a pass on the four yard line.

Following a Weaverville punt, the locals took over on the 24 and wasted no time in chalking up a third touchdown. LeVine did the scoring with a brilliant run through a broken field. Dan Reese added the extra point. It was 20-0.

Stan Davis set up the fourth touchdown by recovering a fumble on the Weaverville 18. LeVine loped through for four yards to the 14. Black Mountain was set back to the 19 for offside. Two passes fell incomplete, and then LeVine took a pitchout from Parris and skirted left end to the three. Parris slipped through center for the score, 26-0.

Coach Buffalo Humphries sent in a host of reserves at this point and they held their own with the visitors. Shortly before the half ended Osteen intercepted a pass and weaved in and out behind perfect interference for 70 yards but the play was nullified because of a penalty.

The third quarter was still in its infancy when LeVine took an encephalic pass out of the air and went 50 yards to score. John Corkran kicked the point from placement, 33-0.

Dan Reese went over from the two yard line for the sixth touchdown near the close of the third period and John Corkran again added the point from placement, 40-0.

In the fourth quarter LeVine returned a punt from his own 30 to midfield. Burgess went around his own left end to the 32. LeVine's pass to Ritchie fell incomplete. LeVine skirted right end to the nine yard line. Co-Captain Clifford Smathers smashed over from there on the first try. Arnold Jones, a hard hitting lineman, carried the ball for the extra point and the end of the scoring, 47-0.

The Darkhorses played one of their best games of the season and stars were many.

HIGH SCHOOL HIGHLIGHTS

Monday the students of Black Mountain High went to the polls in a straw vote held by the journal club. The voting was heavy and so was the Eisenhower sentiment.

The HIGH TOP came out this week with one of the biggest issues in the past year. The proceeds will go toward helping to buy a mimeograph machine. Also, I want to urge everyone to buy a copy of the homecoming program, which is sponsored by the journalism club. This will be on sale Friday afternoon and night, the proceeds going to the mimeograph fund.

The band is planning a half-time show for the Swannanoa-Black Mountain football game. The theme, which is the Sports Calendar, is being carried out by Jackie Clevenger and Charles Moore, who are playing the roll of Peter and the Wolf... the fall division of the program. Charles and Jackie are two members of the beginner's band who are doing well on their instruments and will soon be joining the high school band.

The Beta club will be host to the County Beta club at the courthouse Nov. 17. David Corkran will preside at this meeting, which is the first one of the year.

The band is planning to attend the Marine Band concert, Nov. 10 in a body. Since our band receives some of the proceeds, please help it by attending.

Friday, Nov. 14, the senior class is sponsoring the annual Sadie Hawkins' Day Dance. Daisy Mae proved that the impossible could be done... and look what she got at the race! This is your chance girls... and it is Leap Year, too! Ask your "feller" now, avoid the rush.

Clara Propst and Arnold Jones were elected King and Queen of the Halloween Carnival last Friday night. Both of these royal people are seniors and represent the senior class at its best... Congratulations!

Remember the Alumni Dance Friday! Special music and entertainment have been planned.

A Big Job Done... A Big Job to Do

After the harvest, comes work and planning to make next year's crops bigger and better. We in the Telephone Company are working and planning, too, for another big crop of rural telephones.

In the past six years, rural telephones have more than tripled in the area served by Southern Bell. And the service is faster and better.

There's still a big job to do—one that takes a lot of money, materials, experience and time... but you can depend on us to keep it moving.
