

Girls Defeat Emma High Six Here Tuesday

By Anne Marie Molloy
The Black Mountain High teams tasted victory as well as defeat in a pair of red hot games on the local hardwood floor Tuesday night with the Nightmares taking the opener 42-23 and the Emma nager taking the nightcap 44-38 over the Darkhorses.

The nightmares, facing a more experienced and faster Emma team, appeared to have a case of the jitters early in the game, but they soon settled down as Evelyn Cooper led the scoring with 20 points followed closely by her team mate, Madge Wilhide, who was outstanding in bringing down the rebounds, while pouring in 14 points.

Alma Ballew led the guards with her excellent job of holding down the pivot until she retired from the game via the foul route.

The Emma girls showed a fine passing ability and hit on a variety of shots as Elaine Mathews bucketed 10 points.

The last torrid minutes of play in the nightcap brought the fans to their feet as the Darkhorses tried to stage a comeback, but failed in the last minutes of play.

The Darkhorses led the Emma nagers 21-17 at the half, but fouls and the inability to cash in on their shots cost the Darkhorses their loss.

Gouge paced the losers with 14 points.

The Emma team who have lost only 1 in 3 starts came from behind in the last half led by McMahan with 13 points and Mcalls with 14 points.
