attending a design school for wedding arrangements and wedding bouquets.

Mr. and Mrs. Ralph Singleton and small daughter of Western Carolina Teachers college, Cullowhee, spent the week-end with her parents, Mr. and Mrs. Blane Gilham.

Dick Ramsey and Roger White of the University of South Carolina, Columbia, returned to school Wednesday after a week's vacation.

Mrs. Jack Shaw left Monday for a 2 or 3 weeks visit with relatives and friends in Miami and West Palm Beach, Fla.

Dr. Howard S. Hilley left last Wednesday to attend the Mississippi-Alabama Ministerial meeting in Tuscaloosa, Ala. He expects to be away several weeks.

Mrs. Louis B. Poole has returned home after an extended visit in Coral Gables, Fla.

Miss Emily Hawkins is visiting her grandmother, Mrs. K. W. Cawthon in Union, S. C., for an indefinite period.

Mr. and Mrs. Zeb Sawyer will leave this week end for a weeks visit with Mr. and Mrs. L. J. Tamm in Coral Gables, Fla.

Miss Jody Atkins was among the forty-four seniors at Appalachian State Teachers college, Boone, named to the Dean's list.

Mrs. Ben Palton visited Mrs. Ray Fowler in Atlanta, the week-end of Jan. 17.

Mrs. L. A. Gurry returned Saturday from a 10-day vacation spent in DeLand and Eustis, Fla., where she visited her family and several members of Mr. Gurry's family.

Mr. and Mrs. J. J. Lowery and family have bought the I. T. Brooks home and are now occupying it.

Mr. and Mrs. W. C. Honeycutt and daughters, Judy and Nancy Ann, left Tuesday for an indefinite stay in Melbourne, Fla.

Mrs. J. W. Blankenship of Asheville spent last week with her son and daughter-in-law, Mr. and Mrs. O. F. Blankenship.

Mrs. Clarence Wilson, Sandra and Jerry, of Spruce Pine, have been visiting Mr. Wilson's sister, Mrs. Russell Riddle, in Grovemont for several days this week. Mr. Wilson is in High Point on business.

Mrs. Fred Matthews of Colonial Heights, Va., spent several days the first of the week with her daughter-in-law, Mrs. Max Ragan.

Mr. and Mrs. I. T. Brooks and family have moved into their home, which they recently purchased on Lake Eden road.

SPEAKING OF HOMEMAKING

By Mrs. Elizabeth Parham, Home Service Representative of Carolina Power & Light Co.

INTERESTING WAYS TO SERVE THE POPULAR DOUGHNUT

Early Dutch settlers introduced the doughnut to the New World where it made food history. The little fried cake became so popular and the demand for it so great that doughnut-and-coffee shops sprang up in the colonies. From that day to this, doughnuts and coffee have remained the undisputed favorite snack team. Hundreds of dozens of dozens of doughnuts are sold every day in restaurants, stores and bakeries. Some are sugared, some are frosted with rich chocolate frosting, some with white frosting and shredded coconut. Many homemakers fancy the plain doughnut since it may be served in many interesting ways as a dessert.

Applesauce Doughnut Dessert

1 No. 2 can applesauce
2 tsp. sugar
1/2 tsp. ground cinnamon
2 tsp. chopped nuts

Slice doughnuts in half crosswise and place one-half of each in a shallow pan. Spread applesauce over each and cover with the other doughnut half. Fill center and partially cover top of doughnut with remaining applesauce. Combine sugar, cinnamon, and nuts; sprinkle over top of each doughnut. Bake in a moderate oven 375 degrees F. for 25 minutes. Serve with whipped cream if desired. (Makes six servings.)

Pineapple Fluff Doughnuts

1 egg white
1 tsp. sugar
1 tbsp. pineapple juice

Sorrells, president, presided over the business sessions. Plans were made for a rummage sale to be held February 13 and 14. Plans also were made for a supper to be held at the church but no date set. The hostess for the evening was Mrs. Dyer. She served refreshments to the following members attending: Mrs. J. L. Bryant, Mrs. Roy Carver, Mrs. Pauline Dyer, Mrs. Annie Fender, Mrs. Pauline Lawson, Mrs. Helen Sorrells, Mrs. Betty Sorrells, Mrs. Octinia Shelton, Mrs. Clara Peeler, Mrs. Betty Stevens. Next meeting will be held at the home of Mrs. Roy Carver on Black Mountain highway.

Sick list at Oteen: Mrs. Dot Robinson, Junior Robinson, Elmer Weber, Margaret Peterson, R. B. Stepp, Patricia Brown.

Rev. Binford of Ridgecrest preached for Rev. Bierer Sunday, Jan. 25th.

VEGETABLES TURN YELLOW? HERE'S THE REASON WHY

Question: Last year many of the vegetables in my garden yellowed and failed to grow properly. I had previously added plenty of organic matter to the soil. What was wrong?

Answer: John H. Harris, horticulture specialist for the State College Extension Service, says you might well have temporarily robbed your soil of nitrogen through the use of organic matter. Harris points out that most of the state's garden soils do not contain enough organic matter, which helps to make tight soils more porous and loose, makes sandy soils hold more moisture, and adds a considerable amount of fertility.

At the same time the bacteria in materials, such as stable manure, leaves, straw, garbage, old sawdust, and green cover crops, that contain organic matter use up large amounts of nitrogen while rotting.

Evidence of nitrogen deficiency in the soil is indicated by yellowing of leaves and poor growth. When this is observed, quickly available nitrogen must be added to the soil in sufficient quantity to correct the deficiency.

The nitrogen used by the bacteria in rotting organic materials will eventually be returned to the soil for use by the crops, Harris points out. The more time allowed for the rotting of organic materials before a crop is planted, the less likely is nitrogen deficiency.

Meeting Schedule

MASONS
Black Mountain Lodge No. 663 AF & AM. Stated Communications First Friday of each month, 8:00 P.M. John Boring, Master.

Swannanoa Lodge No. 561 AF & AM. Stated communication first Thursday each month, Masonic hall, old post office building, Arthur R. Cannon, master.
