## Baptists' Gifts On Mother's Day Go to Hospital

On Mother's Day the Baptists of North Carolina turn their thoughts toward the hundreds of needy patients who enter the Baptist hospital at Winston-Salem each year. In 1952 this hospital provided free service to the amount of \$340,387.95 in addition to free service rendered by doctors to needy patients. The special offerings received on Mother's Day last year in the Baptist churches of North Carolina constituted the main source that made this service possible. The churches of the Buncombe association gave \$4,800.70 last year to help provide this service. Again this year the members of the Baptist churches in North Carolina will make special offerings on Mother's Day for this same purpose.

The new south wing of the hospital is now under construction and should be ready for patients this fall. This new wing will bring the bed capacity of the hospital to 450, including bassinets. The churches of the Baptist State convention have raised \$630,000 of the \$700,000 they undertook to raise for this purpose, and it is expected that the remaining \$70,000 will be raised this year. Eighty-two churches in the Buncombe association have contributed close to \$22,500 so far for the new wing.

The Bowman Gray School of Medicine of Wake Forest college was built adjoining the Baptist hospital in 1941. The two institutions work hand in hand. The medical school has graduated 440 doctors since it opened in 1941. The nursing school of the hospital was opened in 1923, and since then it has graduated 556 nurses. The Baptist hospital and the Bowman Gray School of Medicine together constitute one of the leading medical centers of North Carolina.

## MISS SIMONS WRITES HOME ABOUT BIRTHDAY PARTY

Col. and Mrs. Wilbur Simons have heard from their daughter, Marion, that a birthday party from home does not necessarily preclude fun—quite the contrary.

Miss Marion Simons recently passed her nineteenth while a student of pharmacy down at Chapel Hill.

On Monday morning, April 29, as she wrote her mother later, she accompanied a friend to the post-office and unexpectedly received a package from home which turned out to be a birthday present.

That afternoon she went to the botany laboratory and there on a table was a blue package tied with pink ribbon, and a card with it addressed to "Marion Simons, B. S., M. S., Ph. D." To this day Marion does not know who was responsible, but she has a pretty good idea. Sitting in front of the package was a cup cake iced in white and with one candle on it.

## FRIENDSHIP CIRCLES ANNOUNCE MEETINGS

The Day Circle of the Friendship Presbyterian church will meet Thursday afternoon at 3:30 o'clock at the home of Mrs. W. H. Armistead, Montreat.

The Night Circle will meet Friday at 7:30 o'clock with Mrs. Armistead also. Miss Josie Woods will lead the devotional at both meetings.

At dinner, which she was having in a cafeteria, everyone rose and sang "Happy birthday to you." At 9:30 p. m. all of her girl friends "started acting funny," according to Marion. One invited her into another room. As she opened the door a girl took her picture. And there in the middle of the room on a desk was a pink and white iced cake decorated with her name in icing. There were cakes, candy, peanuts, and presents to make the party complete.

## Christian Creek

By Mrs. J. T. Dotson

A two-week revival came to a close last Sunday at Christian Creek, conducted by Rev. M. L. Kirestein of Biltmore section. A goodly number of the unsaved were converted and the church is greatly revived.

Nineteen new members came into the church for which all of us are thankful. A baptismal service will be held two weeks from last Sunday in the afternoon, near the Farm School. The public is invited to attend.

The church began last Tuesday evening in a general study of the "Life, Discourses, Sayings and Parables of Christ." This we are sure will be good and the readers of this paper are invited to attend.

Rev. Jack Johnson is expected next Saturday night to preach here. Some good singing is expected too. Rev. Johnson is brother-in-law to Rev. Maurice Banks who is heard on WISE Sunday morning, 9:15. And in the

near future we will be having a colored minister from New Bethel Baptist in Asheville, so come every Saturday night and share the blessings with us.

Later in the summer the Rev. Dotson is expecting to erect a gospel tent in Black Mountain for a few night services. More will be said about this from week to week so watch your "Black Mountain News" for this. We hope to be able to work in harmony with the churches of all faiths and we are not coming to your community to preach denominational theories, but repentance and fellowship.

This we believe will help rather than hurt all of us. Pray for it.

—The value of United States exports of tobacco products during 1952 was \$58.9 million, slightly above the \$56.7 million reported in 1951, but more than five times greater than the previous (1934-38) annual average of \$11 million.
