### FRIENDS ENJOY BRIDGE AT CLYDE GLENN HOME

On Tuesday afternoon, June 9, a group of friends enjoyed several progressions of bridge at the home of Mr. and Mrs. Clyde Glenn in Government.

Refreshments were served by the hostess at the close of play. Those present were: Mrs. T. J. Hunter, Mrs. Bill McMurray, Mrs. E. N. Howell, Mrs. S. M. Wolfe, Mrs. John Brown, Mrs. W. A. Ward, Mrs. Charles Porter, Mrs. Hubert Clapp and Mrs. Alice W. Paxton of Brevard.

### U. S. Air Force Promotes Gragg To S-Sergeant

John H. Gragg, son of Mr. and Mrs. W. S. Gragg, Black Mountain, recently was promoted to staff sergeant in the U. S. Air Force.

A weather observer, Sergeant Gragg is stationed at Hill Air Force Base, Utah, with a detachment of the 6th Weather Group. He was graduated from Black Mountain High school and was a student at Berea college, Berea, Ky., at the time of his enlistment in the air force in October of 1950.

Sergeant Gragg received his present assignment in May of 1951, following completion of weather observer training at Chanute AFB, Ill.

### Hopes To Finish

From Page 1

ago under supervision of H. M. Wood. The directors voted to hold all advertising until fall in an effort to prolong the season through October, "best time of all in Western North Carolina."

Dr. S. S. Cooley, chairman of the road committee, told the group that he hoped to arrange a meeting some time within the near future with state and parkway officials to discuss the proposed "Sea to Sky" highway from Black Mountain to Mt. Mitchell.

R. S. Eckles reported on his trip to Roanoke where he represented the Chamber of Commerce at the annual meeting of chamber executives of towns along the Blue Ridge Parkway.

Those who wish to see Black Mountain represented on the Charlotte TV station are requested to write Promotion Department, WBTV, Charlotte, N. C.

The advantages of living in the town limits were pointed out: cheaper insurance rate, in many cases, cheaper water rent, fire protection without charge, garbage service, and police protection. In most cases, it was explained, the property owner saves money by being inside the town limits, even though it costs more in taxes.

A letter from Edwin Duncan, executive vice president of the Northwestern bank, was read which stated that a new bank building was planned for the town but that it would be at least two or three years before it became a reality.

New bank buildings will be constructed this year at Spruce Pine and at West Jefferson.
