WILMINGTON, Sept. 10 .- Directors of Carolina Power & Light company took a firsthand look yesterday at the 300,000-horsepower steam plant the company is building near Wilmington and heard CP&L President Louis V. Sutton project still more building ahead.

The board also toured other industrial sites, both developed and undeveloped, in the Wilmington

It was the second time in company history that its directors have met outside company headquarters at Raleigh. (The board met at Waterville in 1947 to name its largest hydroelectric plant in honor of Vice President C. S. Walters of Asheville.)

Reviewing recent growth, Sutton said \$100,000,000 has been spent since V-J Day to satisfy the growing demand for electricity and that another \$100,000,000 will be spent by 1958.

Since Tide Water Power comlast year, between six and seven home, Montreat road. Arrange- served by the hostesses. millions has gone toward improvements in that area; and that figure will exceed \$40,000,000 by 1958, Sutton added.

Its industrial potential holds a bright future for the coastal area, he said.

Business of the meeting includ- services. ed declaration of quarterly dividends of \$1.25 per share on preferred stock and 50 cents per share on common. Dividends are payable October 1 to holders of preferred shares of record September 16 and November 2 to holders of common stock of record October 9.
