SMART RECOMMENDS NC NO. 9 THROUGH BROAD RIVER VALLEY Roger White, former star Black

The Index-Journal at Green-Mountain back, was the subject wood, S. C., recently ran an arfor a feature story which appeared ticle on Fall Colors in the Moun-State. Roger is now a member tains which was written by Gerof the varsity squad at the Universald Smart who spends part of the year in Black Mountain. In the story Mr. Smart recommended to the more than 8.000 subscribers of the Index-Journal that they try the new

No. 9 from Bat Cave to Black Mountain. Excerpts of the letter follow: Mr. Smart lived in Greenwood many years and was active in the musical and religious life

of the city. He is here now visiting friends. He has prepared itineraries for several one-day mountain trips from Greenwood. His sug-

gestions follow: 'The link of the Scenic Drive (Blue Ridge Driveway) from the upper ridges to Oteen was opened this summer. One can easily drive from Greenwood to the top of Mt. Mitchell in some three and one half or four hours. My own favorite route is highway 25 to 250 (marked Trucker's Route); continuing on 250 to county highway leading to Traveler's Rest; thence on 25 again to Biltmore; turn right

on 81 (old Black Mt. Highway) just a few miles to Oteen, where one strikes the new link of the Blue Ridge Driveway to Mt. Mitchell. This shortens the distance and by-passes all the traffic of both Greenville and Asheville. This route from Greenwood to the entrance of the highway at Oteen is about 112 miles; with about 30 more miles to the top of Mt. Mitchell

This is a superb trip just now. "If you are tired of the Hendersonville Highway, you might try the following trip over a brand new road just opened up above Chimney Rock to Black Mountain. Go to Woodruff cut through to Greer-Greer to Tryon-Tryon to Lake Lure, Bats Cave and Black Mountain.

This trip is remarkably short,

**Darkhorses Have Opportunity To Win County Title** 

Records will be forgotten and the dope book tossed out the window Friday afternoon when the Swannanoa Warriors and the Black Mountain Darkhorses square off in the final game of the year for both teams

The game will be played at Swannanoa as part of their homecoming activities.

For Coach Buffalo Humphries\* eleven it will be an all-important game. By winning they can sew up a claim to the Buncombe County conference crown. A victory would give them a record of 6-0-1 in conference play, against 4-1-1 for Oakley-Fairview. These two teams battled to a 6-all tie earlier in the year.

Although the Warriors will not be shooting for a county championship, they are expected to be up for the game. A victory would definitely make their season a success.

The Darkhorses got off to a slow start and dropped the first game of the year to the Brevard Blue Devils, 13-7. They bounced back to trim Mars Hill and Woodfin before being held to a tie by Oakley-Fairview. Since then they have downed Biltmore, Sand Hill, Candler, and Weaverville-Barnardsville in a row.

Coach Tommy Hornaday and his Warriors pulled a mild upset when they bumped Biltmore in the opening game at the stadium 6-2. They ran into trouble against Marshall, Oakley and Candler but rallied strong to tie Walnut, nov. consiered one of Western North Carolina's most powerful, 6-6.' It was Walnut which ended the Marshall Red Raiders' victory string several weeks ago to startle fans of this area. The Warriors beat Weaverville-Barnardsville and lost close decisions to Bethel and Sand Hill.

Last week Black Mountain punched out a 32-7 victory over Weaverville-Barnardsville with a great second half rally while the Warriors dropped a close 7-0 decision to the Sand Hill Comets. The season records:

sundry characters seen only one night a year roamed the building. Two kings and two queens reigned over the carnival, and Mrs. L. H. Gregory, Mrs. Hugh Brandon, the Rev. Wilbur A. Honeycutt, and Wade Rowland bore their crowns with appropriate dignity. Runners up in the contest were Mrs. Jack Okana, Mrs. Chester Sobol, George McAfee, and Lewis Stafford. A total of 34,356 votes at a penny a vote were cast in the contest.

By nine o'clock the building was empty and a tired but happy crowd were on their way home. All booths were sold out, from popcorn to aprons. The county store had hung up an "Out of Business Until Next Year" sign and the witch and devil in the hall of horrors had retired to think up tricks for next Halloween. Lucky winners of cakes in the Cake Walk must have enjoyed their late snack that evening. The fish pond was without a solitary minnow.
