CHURCHES OF CHRIST,

tor" is the topic of the lesson-sermon in all Christian Science churches next Sunday.

The Golden Text is from Psalms 75:1. "Unto thee, O God, do we give thanks, unto thee do we give thanks: for that thy name is near thy wondrous works declare."

Passages from the Bible include: "Fear ye not, neither be afraid: have not I told thee from that time; and have declared it? Ye are even my witnesses. Is there a God beside me? yea, there is no God; I know not any." Isaiah

And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "To grasp the reality and order of being in its Science, you must begin by reckoning God as the divine principle of all that really is." p. 275.

Between October 1, 1953 and June 1, 1954, some 3,000 fires will burn over 220,000 acres of North Carolina forest. Only you can prevent forest fires.

-The 7,760,000 bushel North Carolina wheat crop this year was 7 per cent below that of 1952.
