That spiritualization of thought and action is necessary for real progress will be brought out in Christian Science services Sunday in the Lesson-Sermon entitled "Soul and Body".

The following passage will be among those read "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Mortals must gravitate Godward, their affections and aims grow spiritual—they must near the broader interpretations of being, and gain some proper sense of the infinite—in order that sin and mortality may be put off." p. 265-5.

From the Bible, I Corinthians 2:12, will be read the following counsel given by the Apostle Paul to the Corinthians: "Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God."

The Golden Text is from II Corinthians 6:16, "What agreement hath the temple of God with idols? for ye are the temple of the living God."

"I AM AMAZED!"

"It's hard to believe, but here it is—a complete account of the changes and improvements which have taken place here this year!

- ...the park and playground built for the kids
- ...the clean-up, paint-up campaign all the ladies started
- ...the new street markers, and enlarging the library
- ...the re-painting of downtown buildings

When I see these things one by one, they're not so impressive, but when I consider all these changes together — it is amazing the progress our town has made!"

YES, IT IS AMAZING! When we add up the improvements made by 164 communities conducting Finer Carolina Programs, words are hardly adequate to express their magnitude and effect. It's more than the physical accomplishments made thus far . . . it's the enthusiasm these public-spirited folks are generating, to make progress a continuing program in their communities.

TREMENDOUS STRIDES have been made toward happier, more prosperous living in FINER towns . . . all brought about by the cooperative effort of local people interested in seeing their hometowns become better places to live.

WE ARE PROUD of sponsoring the Finer Carolina program as an incentive for communities to undertake much-needed local improvements — selected, financed, completed and enjoyed by local people.

THERE'S ROOM FOR YOU and all the family to help your neighbors as they work to make your town CAROLINA'S FINEST!
