Mrs. Whitehead Wins In Contest

The judges in the national poetry contest have just announced that 1000 entries were received, from which eight poems were chosen for awards. The task was difficult, the judges said, because of the high excellence of the poems submitted. They came from all parts of the country.

There were three cash prizes and five honorable mention awards, and all of the five were given equal standing. Winners were from Florida, San Francisco, Pennsylvania, two honorable mentions from Chattanooga, and one honorable mention award to Black Mountain, won by Mrs. Miriam M. Valley Little Theatre Will **Present Play**

The Swannanoa Valley Little Theater will present its first summer production, THE HOUSE NO-BODY LIVED IN, a mystery-comery in three acts, on Friday, June 25, at 8:00 p.m., at the Swannanoa High school auditorium.

The play, by Raymond Dumkey, furnishes plenty of suspense and lots of hearty laughs. The setting, an old mansion believed to be haunted, is the scene of a murder, and many ghostly antics.

This play is being staged for the benefit of the Swannanoa Men's club as part of their fundraising program for community improvement, and is being promoted by this club.

Artus M. Moser, veteran actor

and director, is directing the pro-
