## **B&PW** Annual **Card Party Set Monday Evening**

The B. & P. W. club of Black Mountain will hold its annual card party at the club house Monday evening, Aug. 23. Tickets at 50c are now in the hands of members. and a few will be held at the door. The public is cordially invited. Prizes, both score and door, will be provided. In addition, there will be the opportunity to buy cutlery assorted white elephants.

The card party is the only concerted money raising activity during the year, and has proved a pleasant and profitable one. B. & P. W. is not primarily a civic organization-but is dedicated to the endeavor to improve the working woman, and the conditions under which she works. The members take that to include the improving

of conditions for every one. They have been happy to cooperate in the many worthy projects adopted in the community. They are especially happy about the Monday night teen-age parties at the club house. They want to thank Mrs. John O'Connor, Mrs. Oscar Tinney, and others for their great interest and helpfulness.
