Chamber of Commerce Bulletin.
The January 1955 issue of the Bulletin of the Old Fort Chamber of Commerce, prepared under direction of the Rev. John Hicks, publicity chairman, has been mailed out to the citizens of the town.
It gives encouraging news of the endeavors of the religious and civic groups and reports that residential construction is going forward.
Of special interest to all is the statement in the bulletin that Dr. Gerald Snyder, secretary, has announced that permission has been granted by the owners of the Bancroft property to promote the sale of a certain section of this large area for industrial purposes. The Chamber of Commerce is interested in such promotion solely for the sake of encouraging the much needed growth and development and over all welfare of this area.
Anyone interested in securing membership in this organization will be welcome. Randy Hogan will be glad to discuss the matter with prospective members, according to the bulletin. Harvey Rockett is president, Clyde Norton is vice-president, Dr. Snyder is secretary, and Paul Richardson is treasurer of the Old Fort Chamber of Commerce.
Organization of the 1955 Heart Fund Drive, sponsored by the Junior Women's club in Old Fort, is progressing rapidly. Mrs. A. C. Hogan, chairman of the campaign, today made public the names of committee chairmen and members in the local drive to raise funds in support of the Old Fort Heart Association's program to combat diseases of the heart and circulation.
The committee appointments follow: publicity chairman, Mrs. Walter Williams; treasurer, Mrs. Joe Nesbitt; captains, Mrs. Ralph Nesbitt, Mrs. Garvin McEntire, Mrs. H. M. Caplan, Mrs. Robert Wilson, Mrs. Clarence Chrisawn, Mrs. Harry Cosgrove, Mrs. Clyde Norton, and Mrs. Grady McCauley.
The drive will continue through February. Mrs. Hogan pointed out that a major portion of the funds subscribed will go for the support of heart projects in this community and state. Part of the money raised, she said, will also be devoted to nationwide research, education and community program activities of the American Heart Association, with which the Old Fort Heart Association is affiliated.
Gladden Rites.
Funeral services were held on Sunday at 3 p. m. in Marion for Guthrie G. Gladden, 61, who was suffocated by a smoldering mattress early Saturday morning.
Mr. Gladden, who lived in Marion, but was well known in Old Fort, having been employed as a meat cutter in various markets here, was believed to have been smoking in bed when the tragedy occurred. Mr. Gladden had been ill.
A coroner's jury made the ruling on the death which occurred in a room in the Hawkins building in Marion.
Surviving are the widow, Mrs. Tennis Gladden; two sons, G. G., Jr., of California, and Hugh Gladden of Cullowhee; three brothers, L. L. of Roanoke, Va., and Charlie and W. M. Gladden of Marion; and two sisters, Mrs. J. E. Smith of Lenoir and Miss Daisy Gladden of Charlotte.

building. The following committee was appointed to undertake this project: Gary Carson, chm., Mrs. C. D. Thomas, Mrs. Max Woodcock, I. T. Brooks, and Stanley Garland.
Following the business session a question and answer period was held by N. C. Shuford, high school principal, on items concerned with moving to the new school on Jan. 18.
At the close of the meeting the members tendered thanks to Mrs. Tyson for her services as president.

ONLY NEW DWELLINGS ARE COVERED BY THE ONE-YEAR WARRANTY FOR GI HOMES. THE WARRANTY MEANS THESE HOMES WERE BUILT IN "SUBSTANTIAL CONFORMITY" WITH VA APPROVED PLANS.

To give information to post-Korean veterans and their families on eligibility for education and training under the Korean GI Bill, the Veterans Administration furnished a series of questions and answers, as follows:
Q—Just what is the education and training program of the Korean GI Bill?
A—It is a program of furnishing financial aid for schooling and training to eligible veterans who served after June 27, 1950, and before the end of the present emergency, and (3) at least 90 days total service, unless discharged sooner for an actual service-incurred disability.
Q—Must a veteran have served in Korea to be eligible for the training benefits?
A—No. He may have served in the armed forces any place in the world—in the United States or abroad—and not necessarily in Korea.
Q—Are there any kinds of military service that do not count, in figuring whether a veteran has enough service to qualify?
A—Two types of service do not count: time spent in a civilian school studying courses offered to civilians, and time spent as a cadet or midshipman in one of the Service academies.
Q—Assume that a veteran meets all the requirements for training. May he enroll under the Korean GI Bill even though he has gone back on active duty and is in uniform?
A—No. Veterans are not eligible for Korean GI Bill training on active duty, even though they meet all the law's basic requirements.
Q—How much training entitlement does a veteran get?
A—An eligible veteran's maximum period of entitlement is computed on the basis of one and one-half times his length of service on and after June 27, 1950, and prior to the end of the present emergency period.
Q—What is the top amount of training a veteran may receive?
A—The maximum is 36 months of training.
Q—How much Korean GI Bill training is allowed to a veteran who previously had trained under the World War II GI Bill or Public Laws 16 or 894 for the disabled?
A—Such a veteran must subtract the period of training he already had from 48 months. His entitlement under the Korean GI Bill may not exceed this difference. Also, it must come within the 36-month limit and may not exceed his entitlement based on his service.
Q—What if a veteran's entitlement runs out when he is part way through a quarter or semester in school? Will he be allowed to continue?
A—If his entitlement expires after the half-way mark of a quarter or semester, he will be allowed to complete that quarter or semester.
