Keynoting the Lesson-Sermon entitled "Mind" is the Golden Text from James 1:5: "If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him."
From "Science and Health with key to the Scriptures" by Mary Baker Eddy the following passage will be among those read: "What ever is governed by God, is never for an instant deprived of the light and might of intelligence and Life."

Vic Vet says
PLEASE, VETS! DON'T WRITE VA ABOUT YOUR FORTHCOMING 1955 GI INSURANCE DIVIDEND IT WILL BE PAID YOU AUTOMATICALLY SIXTY DAYS AFTER THE ANNIVERSARY DATE OF YOUR POLICY

Persons entering the armed forces for the first time since February 1, 1955, are peacetime veterans when they leave service and, as such, are entitled only to peacetime benefits, Veterans Administration said.

Peacetime veterans, under present laws, will not be eligible for any of the benefits provided by the Korean GI Bill, nor for any wartime service benefits payable to veterans of the Korean conflict period.

Peacetime veterans may be entitled, under certain conditions, to medical and domiciliary care, disability compensation, aid for the blinded, "wheel chair" homes, servicemen's indemnity, guaranty of commercial life insurance premiums, burial expenses, burial flag, guardianship service and appeals. Their dependents may be entitled to death compensation where the veterans die of service-connected causes.

The principal benefits and conditions are:

Medical and Dental Care — A peacetime veteran may be entitled to hospitalization, outpatient medical and dental treatment and prosthetic service, provided he was discharged under other than dishonorable conditions for a disability incurred in line of duty or is receiving compensation for a service-connected disability.

Domiciliary Care — A peacetime veteran may be entitled to domiciliary care if he meets the above eligibility requirements and is incapacitated from earning a living and has no adequate means of support.

Disability Compensation — A veteran disabled by injury or disease incurred in, or aggravated by, peacetime service may qualify for disability compensation. Discharge must have been under other than dishonorable conditions.

Monthly rates range from \$14 to \$145, depending on the degree of disability, plus statutory awards for amputations, blindness, etc., up to a maximum of \$330.

Where the disability resulted from extra-hazardous service, such as simulated warfare, the veteran may be entitled to wartime rates. These are \$17 to \$181, plus statutory awards, up to a maximum of \$420.

Veterans rated 50 percent or more disabled may be entitled to additional compensation for a wife, children, or dependent parents.

No gasoline-no, not a single one- has higher octane than New 1955 GULF NO-NOX

This lamp is burning the "DIRTY-BURNING TAIL-END" of gasoline which GULF refines out

This lamp is burning NEW SUPER-REFINED GULF NO-NOX, the clean-burning super-fuel

Always remember: Octane alone is not enough. Only a gasoline that burns clean can make its full octane power really work for you mile after mile.

That's why, instead of trying to fight harmful deposits with so-called "miracle additives"—inside your engine—Gulf believes in preventing them from forming in the first place: removes the cause—the "dirty-burning tail-end" of gasoline, at the refinery, to bring you new NO-NOX.

Just look at the plates in the photo above, and see what a difference Gulf super-refining makes!

but octane alone is not enough...

That's why new Super-Refined Gulf NO-NOX is specially made to burn clean—to protect your engine—to give you thousands of extra miles of full engine power.

- Fill up with new Super-Refined Gulf NO-NOX and feel the difference, right from the start, in full engine power that lasts! You'll get:
- More complete engine protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in the short-trip, stop-and-go driving motorists do most.
- Stall-proof smoothness... instant starts... fast, fuel-saving warm-up.
- No knock, no pre-ignition—even in today's high-compression engines.

This is GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor — no, not a single one — to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest — in power, in performance, in engine protection.
- This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Oil Corporation.
