BOB POOLE, popular radio star of WBIG says, "My wife has always used light Karo for cooking... and on the table—it's

dark Karo for me, the best-tasting eating syrup of 'em all"

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious dark Karo... there's nothing like it for good eating. Satisfying flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Ask your grocer for DARK Karo, in pint and quart bottles
