The scientific unity of God and man, as taught by Christ Jesus, will be set forth at Christian Science services Sunday. Key-noting the lesson-sermon entitled "Doctrine of Atonement" is the golden text from John (3:17): "God sent not his Son into the world to condemn the world; but that the world through him might be saved".

The following passage will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage". (18: 1-5) Reading from the Bible will include the follow-ing (Luke 1:68): "Blessed be the Lord God of Israel; for he hath visited and redeemed his people".

Hall, Hogan Win Safety Contests

Beacon Manufacturing company held a banquet in the lunchroom at Owen High school, Tuesday, March 27. One hundred and fifty-five represented the safety com-mittee, with W. Mitchell as safety director.

Each department having the lowest accident rate for the year was awarded a banner in recog-nition of their efforts and ability to prevent accidents.
