

**MONTREAT**

Miss Julia Stokes.

A crowd came to the mountains in spite of the rain all week-end. With the 300 Young Adults who came from the Synod of South Carolina, other visitors were lost in the crowd. Gaither was filled to overflowing for the morning worship service on Sunday.

The Student Christian association held group meetings at 7:15 p.m. with a hymn sing in the lobby of College Hall after vespers.

Senior Hi Fellowship met in the home of Anne Solomon on Assembly drive at 4 p.m. Sunday.

The Young Adult group met in the home of the Rev. and Mrs. Blain Aldridge on Virginia road at 7:45 p.m.

The prayer meetings are held each Wednesday at 4 p.m. in the

sun parlor of Assembly Inn and at 7:15 p.m. in Gaither Chapel.

The Young Adults, some 300 strong of the Synod of South Carolina, met in Assembly Inn over the week-end. Mr. and Mrs. Eugene F. Rogers of Columbia, S. C., were co-chairmen. Two of the outstanding speakers were Dr. William B. Oglesby, Jr., and Miss Louanna Roach, both of Richmond, Va.

Dr. Oglesby was the preacher for the Sunday morning service and speaker for Saturday conference session at 7:15 p.m. in Gaither Chapel.

Dr. Oglesby occupies the chair of Marthina DeFriece professor of Pastoral Counseling of Union Theological Seminary, Richmond, Va.

Miss Roach is an associate in the department of adult education of the Presbyterian Board of

Christian education, Richmond. She had the address for the conference session meeting in Anderson chapel on Sunday morning at 9:15 a.m. Song service was led by Dr. W. Ted Jones, regional director of the Synod of South Carolina.

On Saturday night after the conference session a fellowship and recreation period was held in Anderson auditorium chapel with Francis Womack, leader. This featured mountain style entertainment and refreshments.

It is hoped that the next time this fine group comes to meet in Montreat it will not be a rainy week-end. The beauty of the autumn foliage was somewhat dampened, but everyone seemed to be happy in spite of the rain.

The women of the Montreat church met in the newly painted room in the basement of Assembly Inn Tuesday, Oct. 16, at 3:30 p.m. Mrs. J. Rupert McGregor, vice president, presided. New officers were elected for the coming year as follows: vice president, Mrs. John Payne Williams; chairman of spiritual life, Mrs. A. C. Holt of stewardship, Miss Alice Hardie; of church extension, Mrs. F. R. Donoho. An interesting program was given by Dr. John Luke of Ashe county. Mrs. Stanley Bennett, chairman of Church Extension, was in charge. Dr. Luke showed beautiful pictures of the mountains beginning with a sunrise and ending with a brilliant sunset. Many of the young people from his churches are attending Montreat college.

Miss Alice Arey had as guest last week in her home Mrs. H. G. Gregory of Havana, Cuba, who spent the summer in Canada and was returning home.

**Program Will Show How To Use More Beef**

A beef educational program is being conducted this week in various western North Carolina counties through the cooperation of the North Carolina Department of Public Instruction, the North Carolina Agricultural Extension Service and the Beef Cattle Commission of the Asheville Agricultural Development Council.

Purpose is to show consumers how to make better use of beef. Home economists and most specialists say there is unlimited opportunity to get variety in the diet by preparing beef in several different ways and by using new cuts that offer maximum value for the food dollar.

Importance of this program to western North Carolina is revealed by a recent study which shows that over 100,000 head of cattle will go to market in the area during 1956. This means a plentiful supply of local beef, particularly in the medium grades.

Housewives are being urged to choose beef wisely using more of the lower price cuts. All cuts of beef can be tender and they all have a high food value regardless of the part of the carcass they come from. The wise food shopper selects beef with an eye on the value received for money spent.

Methods of preparation by cut and grade, selecting cuts and identification of cuts will be stressed during the beef educational program. Demonstrations are being conducted in various high schools, civic clubs, and on television.
