The 9-passenger Country Squire

FIVE NEW FORD glamour wagons long, low and loaded with Go!

Leave it to the station wagon leader to make the big news for '57! And what news! Wagons so big, so full of fine-car prestige that you'll wonder how it can be done at low Ford prices. If your choice is the Country Squire, you'll

be proud to pull up at the finest places in this new glamour wagon with its wood-like trim. If your needs call for a 6-passenger wagon with four doors, you'll love the new Country

Sedan. It has almost nine feet of loadspacenearly a foot more than ever before.

There's still another 4-door Country Sedan. It has the extra third seat for 9-passenger room. And, as in all Ford wagons for '57, you have the new single-control handle which opens both the wrap-around liftgate and tailgate with one motion. And they can't be opened from inside!

There's good news, too, about Ford's popular Ranch Wagon. This 6-passenger, 2-door model features Ford's new subdued tones, and smart interiors which defy muddy little shoes and drippy chocolate cones.

In the wonderful way that Ford can take a fine thing and make it even finer, the Del Rio Ranch Wagon goes beyond the Ranch Wagon in style, fabrics and trim.

Better take a Ford wagon for a spin. You'll agree that for styling it's a sweetheart . . . for work and power, it's an obedient slave! WOODCOCK MOTOR CO.
