Eats like a hummingbird!

Like all the new '57 Fords, that sleek Sunliner up there lives on a mighty lean diet of gasoline. Big reason? Look underneath the new front-hinged hood of this over 17-foot long dreamboat. There you'll find a magnificent V-8 engine... an all-new, easier "breathing" power plant that measures fuel and air more efficiently than ever before to give you fuller combustion, greater economy. There you'll find a completely new brand of Ford TNT that's the proud result of Ford's many years of V-8 leadership. Yes, "Six" or "Eight"... the going's never been so great!

Goes like a Thunderbird!

For a car that "eats" like a bird... just watch this new kind of Ford devour the miles! That's its new Thunderbird V-8 power* for you. It's the same kind of mile-melting power that sparks the mighty Thunderbird itself... the same staying power that hurried a '57 Ford over 50,000 salt-encrusted miles at Bonneville in less than 20 days... at an average speed of more than 108 miles per hour! But Action Test the new kind of Ford. Feel the new solid, silent ride that stems from the all-new Inner Ford. Discover all the other reasons why Ford makes "luxury" a low-priced word!

Sample the savingful sizzle in the new kind of **Ford**

Miss Geneva Brown and Miss Juanita Creasman recently spent a week's vacation in Atlanta as the guests of Mr. and Mrs. Tom Forsyth and sons.

Mrs. Lyman E. Dillingham gives an account of her trip to Flint, Mich., during the holidays. On Christmas Day, my husband and I left by car for Flint, Mich., where he is employed by Chevrolet Motor Division of General Motors Corporation. We took highway 23 and passed through parts of Tennessee, Virginia, West Virginia, Kentucky, Ohio, and Michigan. As we were traveling along I saw many interesting sights. At one point we were in three states at one time. The intriguing thing about Kentucky to me was the picturesque rock fence which extends for miles. I was informed that it was built during slavery days by slaves. I also passed through Renfro Valley and then saw Berea college where my husband attended. The large blue grass farms where race horses are raised were very beautiful. In Ohio the large cities with tall buildings stand out in my memory. Before we reached Flint, we went through Ann Arbor, a very large and well-

MISS SIMMONS WILL CONDUCT STUDY COURSE FEB. 26 — MAR. 1

The Woman's Society of Christian Service held its monthly meeting in the fellowship hall of the Methodist church Tuesday afternoon, Feb. 5, with circle 4 serving as hostesses.

The devotional was given by Mrs. L. C. Jumper and a program on "young people making religious work a career" was presented by Mrs. H. A. Kerlee and Mrs. Jack Shaw.

During the business session with Mrs. John Benedict, president, presiding, a study course "Missions, U. S. A." was announced for Feb. 26, 27, 28 and March 1, from 10:30 a.m. to 12 noon. This course will be given under the leadership of Miss Louise Simmons. It was decided that an apron party would be held at the next church wide
