Mountain Greens greens which festoon American streets and homes at Christmas

Thursday, Dec. 19, 1957 -Black Mountain (NC) NEWS - 7

It is only in recent years, however, that Christmas tree growing has become a source of farm income, and the trees quite literally cultivated as a paying crop.

Yule tree planting on rough land For many years the hillsides of is favored by soil conservationists conserving soil, as well as investment. Southern Balsam is perhaps for holiday celebrants in this area, this type of crop planting. Pine, but for those in distant towns and of course, is also grown as a crop. Of the former trees, the green
