CHEVROLET IS LOWEST PRICED
OF THE LOW-PRICED THREE
IN THE MODELS MOST PEOPLE BUY!

Chevrolet is by far the newest, nicest car in its field—the only one that's new from ride to roof. And in the models most people prefer, Chevy costs you less than the other two low-priced cars.*

Chevrolet does more for your dollars than any other car in the low-price field. Even the lowest priced models share in Chevy's unique new beauty and costly car feel.
Every Chevrolet's a full nine inches longer—lower and wider, too. When you hitch these new dimensions to any of Chevy's new engines, you've got a big serving of spirited action.
See your dealer to find out how little Chevy's brand of fun will cost you. You get more for your money in every model—and Chevrolet is the lowest priced of the low-priced three in the models most people buy!

Only franchised Chevrolet dealers display this famous trademark
