North Carolina claims these 12 home demonstration club women as their top leaders of 1957. They have been named winners in the Home Demonstration leadership awards program co-sponsored by the N. C. Agricultural Extension Service and the A. & P. Tea company, N. C. Chain Store council. They are: top row, left to right: Mrs. Woodrow Taylor, Lenoir county; Mrs. C. F. McIntyre, Nash; Mrs. Etewart Shuford, Caldwell; Mrs. Joe Chaney, Union; second row: Mrs. J. P. Morgan, Currituck; Mrs. Johnny Meadows, Onslow; Mrs. Wade H. Lee, Anson; Mrs. Worth Rich, Pender; bottom row: Mrs. D. L. Zickafoose, Person; Mrs. H. D. Robertson, Forsyth; Mrs. Theta Barnard, Clay; and Mrs. Paul Robinson, Haywood.

Letters have been received from the dean of students and from Montreat college in appreciation for the many responses made by friends to them during their hour of need after the recent fire. It is indeed a pleasure to get a "thank you" letter in this time of so much asking. The many lovely things sent in have re-clothed all the students and still there is much to spare. We are looking forward to the rebuilding of College hall and hope the donations for it will be as generous.

Mrs. R. C. Anderson and Mrs. Helen Owens are spending a month in Mrs. Anderson's home in Orlando, Fla.
Dr. and Mrs. L. Nelson Bell are spending two weeks in Florida. Dr. Bell is always in such demand as a speaker we hope he will take part of the time for rest.
Mrs. John Payne Williams left this week by plane for Seattle, Wash., to visit her son-in-law and daughter, Dr. and Mrs. Norman S. Hayner, Jr., and the new grandson.
Blake Brinkerhoff of Union Theological seminary, is spending a few days with his parents, Mr. and Mrs. Charles Brinkerhoff, in their home on Assembly drive.
The morning worship service was held in Gaither chapel with the pastor, the Rev. Stanley Bennett, in the pulpit. The music was beautiful and in keeping with the spring season. Miss Sun Ai Kim, a senior from Korea in the college, sang a lovely solo which was greatly enjoyed.
The Student Christian association met in Gaither chapel at 7:15 p.m.
The Montreat Discussion fellowship met in Assembly inn at 7:45 p.m.
The prayer meetings are held each Wednesday at 4 p.m. in the sun parlor of Assembly inn at 7:15 p.m. in Gaither chapel.
The Communicants' class will meet in the green room of Assembly inn at 3:45 p.m. Thursday.
The Junior choir meets on Mondays at 4:10 p.m. in the Crosby Adams Fine Arts building.
Much has been said about the speed limit of 25 miles per hour in Montreat. This must be observed for the safety of all. In many places, 12 miles per hour for school and business sections is used.
Mr. and Mrs. W. A. Watkins are the grandparents of twin girls born to their daughter and son-in-law, Mr. and Mrs. Joe Robinson on Mar. 13. The twins are named Brenda Gail and Linda Kaye. Mrs. Robinson is the former Margaret Watkins. She was graduated last May from Owen High school.

HEINZ ROLLMAN'S BOOK QUOTED IN CAPITAL
Rollman is pretty happy. Last week, President Eisenhower, former President Truman, Adlai Stevenson, and Eric Johnson, all in the same day, in the ballroom of the Statler hotel in Washington, while discussing the needs of our foreign mutual aid program, quoted Heinz Rollman's book "World Construction."
Rollman was greatly pleased to hear all these speakers quote whole paragraphs from his book without changing a single word.
Rollman added, "The greatest joy, however, naturally came to me seeing that a program for which I have been fighting for 13 years is finally supposed to be put on a business-like basis, and is being taken out of the Santa Claus spirit."
and included the names of Sides of Swannanoa, first; Straehla of Swannanoa, and Swaingim of Black Mountain, second, and McMahon, Swannanoa, third, with the honor roll including Saunooke and Capps of Black Mountain, and McClure of Swannanoa; girls' teams, McDougle and Fortune of Black Mountain, first; Gouge and Burnette, Black Mountain, second; honor roll, Gilliam, Slagle and Morrow of Black Mountain, and Wilkerson of Swannanoa.
Teachers and parents were scheduled to contest one another in a benefit basketball game in the Swannanoa High school gym. This was billed as the "battle of the century."
Services were being planned in the community churches for observance of Palm Sunday, marking that Sabbath when Jesus rode into Jerusalem as the Messiah with the people strewn palm branches in His pathway, little thinking in a few short days these would become the "palms of martyrdom."
A State college expert and the County Farm agent were here to give advice on pruning, spraying and soil management. Local orchardists were advised to get rid of all broom sage by discing under and planting the "middles" in lespedeza, in turn cutting this and leaving it on the ground. They visited orchards at Mountain phanagaa, Sevier, at Valley Farm, High Top and Ridgecrest.
A shortage of listings was reported for the Black Mountain area for houses of all types and sizes. R. S. Eckles, making this report, said that the demand was heavy and showed no signs of slipping.
A new automatically fed Kluge press at the Black Mountain News was installed and turned out its first printing job. This was the sixth piece of new machinery installed in the current year with a view to furnishing Black Mountain and Swannanoa with a modern printing establishment.
The Buncombe county all-star basketball teams were announced

A Dream Come True
Nineteen happy smiles—eighteen girls and one man—testify that these graduate nurses from the Philippines are thrilled at arriving in America and at realizing their ambition in Chicago's great Medical Center with all the wonders of its advanced medical and nursing achievements.
Here they have actually become students again and are taking courses in the Cook County School of Nursing to round out their nursing education and experience.
To put it in their own words, these Filipino nurses consider the opportunity to come to America as a wise investment, not only for their own educational progress, but for the future of general health in their own country. All are preparing to return to positions of responsibility in their own hospitals and communities.

FOR 50¢, YOU AND I COULD BRING A LOT MORE TOURISTS TO WESTERN NORTH CAROLINA
All it would take is
10 pieces of stationery
10 three cent stamps
1 1/2 hours time
The desire to help bring more prosperity to our area.
Write to ten of your friends anywhere in the U. S. pointing out to them that Western North Carolina is "Vacation Paradise U. S. A." That we have wonderful tourist facilities and that we are glad to have them.
We have about 80,000 households in our region. Ten letters from each household could greatly increase our share of the American tourist dollars that are spent every year. This ad presented as a public service by Heinz Rollman (a man who cannot be bribed), Democratic Candidate for Nomination to Congress in the 12th District of North Carolina.

OCEAN TO OCEAN ACROSS SOUTH AMERICA — AND BACK — IN 41 HOURS!
CHEVY'S NEW V8 LEVELS THE HIGHEST, HARDEST HIGHWAY OVER THE ANDES!

To prove the durability of Chevrolet's radical new Turbo-Thrust V8,* the tremendous flexibility of the new Turboglide transmission,* the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world — the 1,000-mile General San Martin Highway. To make the test harder, officials of the Automobile Club of Argentina sealed the hood shut at Buenos Aires — no chance to add oil or water or adjust carburetors for high altitude.
So the run began — across the blazing Argentine pampas, thrusting boldly into the stone ramparts of the forbidding Andes. Up and up the road climbed, almost 2 1/2 miles in the sky! Drivers gasped for oxygen at 12,572 feet — but the Turbo-Thrust V8 never slackened its jet-smooth torrent of power, the Full Coil springs smothered every bump, the Turboglide transmission made play of fantastic grades up to 30 percent. Then a spine-chilling plunge to the Pacific at Chile's great port of Valparaiso, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes — and the engine was never turned off! That's rugged proof-in-action of the great new advances you'll test for yourself the first time you drive a '58 Chevrolet. That's a real thrill — why not discover it this week? *Extra-cost option
