Typical of the improvements made through this spring's renovation program at Blue Ridge assembly is the change wrought in the VPI cottage, one of a number of cottages and other buildings completely modernized and refurnished. Since this photo was made just after completion of the project, new furniture, rugs and curtains have been installed.

A capacity registration is announced for Blue Ridge for the 1958 season, which will feature a work-and-study program for students of the college level, in addition to a large number of conference sessions.

**MAIL SERVICE HAS DEFICIT**

Question: Why increase letter rates? Aren't they paying their own way?

Answer: No. Letter mail is losing money today. It is the only major class of mail which has made no contribution in rate increases, to offset postwar World War II cost increases. First class letter rates have not been increased since 1932.

I have been asked "Where do you stand on Veterans' benefits, Rollman?"

I believe to most people this is quite clear. But for the few who don't know, let me just say this.

Mankind has been my business for 30 years, and will continue to be my only concern for as long as I live. A man who has pioneered in his business with profit sharing, hospitalization for employees, and insurance for employees, certainly cannot neglect the benefits to which the veterans are entitled. We, the people, and our government have a duty to improve veterans' benefits, and we certainly have to keep in mind that the 1939 dollar today only buys 49c worth of groceries.

I have fought all my life for the common man. I cannot but continue to do so.
