**Let us Give Thanks**

Today let us be thankful, as children are thankful, for the wonderful little things of life: the taste of good food; the joy of our own firesides; the feel of familiar things; the laughter of young folks; the love of our dear ones.

**Let us give thanks**

We have so much to thank Thee for, dear Lord—  
Thy love that gathers us in sweet accord  
To pray and praise. For tables richly spread  
And blessed peace that sweetens daily bread.  
For joys of life that gild the passing days—  
Home, work, love, friends. For freedom's shining rays  
That spotlight cherished rights to think, to speak,  
To worship as we please. Lord, help us seek  
For ways to share these gifts with all mankind!  
And hasten on the golden years that find  
From sea to sea the battle flags all furled—  
Thanksgiving Day observed throughout the world!
