

MONTREAT

MISS JULIA STOKES

The Women of the Montreat church will meet Tuesday, Feb. 17, in the green room of Assembly Inn. Refreshments will be served from 3:30 to 3:55.

The program will start promptly at 4 p.m. This is a play under direction of Miss Evelyn Morris, with Mrs. Karl Snyder as sponsor.

This will be given by the Thaliens, dramatic group of Montreat college, who will give this play in eight churches in the Asheville Presbytery.

The play tells the story of a conflict between the Muslim and Christian forces in a home in Iran, and the eventual triumph of Christianity. The subject ties in with mission study for this year, which is on the Middle East. The play is in costume, with colorful home furnishings typical of Iran.

The eight members of the cast are: Misses Ann Johnson, Trumbull, Conn.; Virginia Watson, Silver Creek, Ga.; Jo Ann Gray, Clarksville, Ga.; Joy Townes, Augusta, Ga.; Lois Burton, Bowling Green, Ky.; Pat Glick, Lexington, Va.; Paul Wayne, North Wilkesboro; Jimmy Bennett, York, S. C.; Dick Whitney, Waynesville, Miss. The men of Montreat are invited. A business meeting will follow the program.

Many from Montreat attended the District 2 meeting on Thursday, Feb. 5, in the First Presbyterian church, Black Mountain. A fine supper was served and good fellowship was enjoyed. Among those who attended from Montreat was Mrs. I. S. Woodhouse who was 97 last Christmas Eve. She was, no doubt, the oldest member there. All the churches had a good representation and gained much from the meeting and fellowship.

Friday, Feb. 13, is to be "World Day of Prayer." This day is celebrated throughout the world. In Montreat a service will be held in Gaither chapel from 10 to 10:30 p.m. In Black Mountain a united service will be held in State Street Methodist church at 12:05.

Sunday's regular worship service was held in Gaither chapel with Rev. Stanley Bennett in the pulpit. The Junior choir and a group of college students led the music in the absence of the regular college chorus which is on tour. Dr. Benjamin Dunford was at the organ.

Lively Early Black Mountain Scene

(Photo by Gragg)

Does anyone remember when this photo was made? It's a "way-back-when" glimpse of a busy day around the Black Mountain railroad station and shows the modern four-cylinder (beg pardon, four-footed) conveyances available to the throngs of visitors disembarking from the train. Even the photographer, Black Mountain's W. Bingham Gragg, can't remember the date on which he pictured this scene.

Telephone Talk

by
WILLIAM R. COOKE, JR.
Your Telephone Manager

Candy hearts and cards can say
"I'm missing you on Valentine's day!"
But somehow the nicest way of all
Is say it yourself—with a
telephone call!

What a wonderful Valentine for someone far away—the sound of your voice reaching warmly across the miles. On special days . . . on any day . . . a Long Distance call is the best and easiest way to keep in touch! Rates are extra low if you call after six P.M. or anytime on Sundays. And it's cheaper than ever when you call Station-to-Station. For faster service, always call by number!

THE LAST MILE—is the longest. It certainly must seem like that to the lady of the house when the phone's been ringing all day and she's been on the run to answer it. What she really needs is the convenience of extension phones in arm's reach—in her bedroom . . . her kitchen . . . or the basement, perhaps. They'd be handy for other members of her family too—Dad and the teenagers. And, something else—those lovely colors! Soft pastels and bright cheery hues. We'll be glad to help you bring the convenience and color of extension phones to your home if you'll just give us a ring.

LIKE MUSICALS? In addition to more new exciting science shows, to be sponsored by Southern Bell on television from time to time, a series of hour-long music shows will be televised in color this spring. If you, your family and friends like music, I'm sure you'll want to be on the lookout for these delightful musical productions. So watch for the dates and times to be announced in your local newspapers.

The college group sang the anthem and the junior choir sang the offertory hymn. Both were very fine. At 7:15 p.m. the Student Christian Association held group meetings and at 8 p.m. the Life Service group met in Gaither chapel. Marvin Moore showed slides on world missions.

Prayer meetings are held on Wednesday at 4 p.m. in the sun-parlor of Assembly Inn and at 7:15 p.m. in Gaither chapel. The subject this week is the Middle East.

Trustees of Montreat college held a meeting last week and it was announced to the college faculty by Dr. C. Grier Davis that the college will be changed into a junior college in the near future. We hope it is for the best for the college. We do have some fine students in the college.

The Rev. Stanley Bennett has returned from Washington, D. C., and reports a fine trip. The Bennetts have as guest, Miss Bonnie Bennett, sister, and Graham Synch, both of Winston-Salem for the week-end.

Mrs. Collins Lee is spending this week in Covington, Ky.

Mrs. W. J. Gammon was elected chairman of District 2 of the Women of the Asheville Presbytery at their meeting on Thursday, Feb. 5. Miss Elizabeth Hoyt was chairman of the nominating committee. We are glad that Montreat has such an able leader to undertake this responsible work. We know she will be a good one. Mrs. A. F. Tyson, Jr., is retiring chairman.

She has been a fine chairman and has done a splendid job in this most important work in the district.

Dr. and Mrs. Dayton Roberts, missionaries on furlough from Costa Rica, are occupying the McElwee cottage on Chapman Home road, Montreat, and will be here until summer.

Dr. Roberts is a friend of the Reynolds as his parents were missionaries in Korea and he attended a school for missionary children there as a boy.

Scouts Welcomed at Planetarium

January and February are Scout months at the Morehead planetarium in Chapel Hill.

The program "Scouting the Skies," which will continue through February 23, is designed to acquaint Boy, Girl and Cub Scouts with the features of astronomy necessary to their understanding and advancement. Every advantage which the planetarium can offer is directed exclusively toward scouting.

However, to accommodate children in primary grades one, two, and three who are not yet eligible for Scouting, a separate and basic program is being given at 11 a.m. and 1 p.m. on Mondays and Tuesdays only through February 16. Titled "Sun, Moon, Earth," it is a demonstration in basic astronomy.

The Scouting program is given every night at 8:30 o'clock and at matinees at 11 a.m., 1 and 4 p.m. on Wednesdays through Fridays; at 11 a.m., 3 and 4 p.m. on Saturdays; and at 3 and 4 p.m. on Sundays.

Reservations are desirable for all performances, and one Scout official or one teacher is admitted without charge with each 10 children they accompany. Children's admissions are 35c each. The programs are suitable for non-Scouts as well.

DOUBLE TROUBLE

disappears the

ALL-ELECTRIC MEDALLION WAY!

How to wash and dry clothes when the weather's rough poses double trouble for a busy homemaker. But not when she selects the all-electric Medallion Home standard to help whisk away this problem.

If trouble doubles on your winter washdays, trim it down with the automatic magic of an electric washer and electric dryer. Let them swirl, spin and fluff your clothes to a whistle-clean finish while you find better things to do.

And, where space is limited, you'll find the happy combination of an electric washer-dryer an equally pleasant solution.

When washday double trouble disappears, you've taken another step up to all-electric Medallion Living. So make the Medallion Home standards your guide to gracious, modern living in your present home or in your plans for the future.
