TRUANT OFFICER RETURNS SCHOOL PRINCIPAL TO DUTY

Seniors of Owen High school reported an exciting trip re cently to the Buncombe County courthouse for the purpose of having chest X-rays made. The journey on Feb. 19 was made in three school buses, with students being accompanied by Teachers Thomas Nesbitt and Charles Smith and Principal N C. Shuford.

In the bustle of the return trip, it was found, after the buses had returned to Owen, that Mr. Shuford had been left in Asheville. He was later safely brought back to the school by a county truant offithe Woman's club as a cer, the high school news gath-

100 at Newcomers Party Plan March 25 Meeting

Black Mountain will offer some type of activities for senior citizens during the coming season, according to tentative plans put forward at last Wednesday's initial gathering of over 40-year-old newcomers and other interested residents. The get-acquainted party was sponsored by the Woman's club and drew an attendance of about 100 to the educational building of the Methodist church.

H. McGuire Wood was named chairman to foster further plans which will include an organizational meeting Wednesday, March 25, the place to be announced. Mrs. Edna Johnson, Woman's club pro- Clean & Paint Up gram chairman, and her committee greeted Wednesday's guests.

F. Tyson, Jr., Marcus Begley, getting together with others with paign jointly sponsored by the Commerce, and the Lions club. The latter two organizations will this spring join with the Woman's club which is fostering a "Beautification and Sanitation" program as a 'Finer Carolina" project.

The drive opens now and will be intensified in a "Clean Up and Paint Up" two weeks' campaign April 19-May 1.

In mid-week last week, the first posters went up to herald an "Anti-Litterbug" drive. Co-chairmen Mrs. Mary E. Aleshire and Miss Pauline Tipton placed posters in the business area urging residents "Don't be a Litterbug-Keep America Beautiful." Orders were placed for automobile stickers, and for buttons for school children who will participate in the drive, and "Litter Bags" which will be offered for use in endeavor to keep homes, business houses, highways and other thoroughfares clear of

Meanwhile Thursday brought a meeting of representatives of the three "Clean Up" campaign leader clubs for a planning session: Mrs. William H. McMurray, Woman's club president; H. McGuire Wood of the civic improvement committee of the Chamber of Commerce, and William S. Holcombe, representing the Lions club drive, and local manager of Carolina Power & Light Co., sponsor of the "Finer Carolina" program in the two Carolinas.

Cards were drawn up asking for participation in the clean-up drive, calling for painting or washing of store-fronts and attractive arrangement of display windows in the down-town area. The Chamber of Commerce made plans for repair and re-painting of benches provided by the C. of C. in the business section for use each summer. Plans were made to ask the downtown area, and thereafter formerchants' increased efforts to

Professional Women's club sponsors of a vocational education class instituted in the Elementary school this year as a "Finer Carolina" project, announced they would plan to sponsor a down-town exhibition during that week of articles made by the more than 100 boys and girls now engaging in these handicraft classes.
