

**14 ATTEND FEB. 17  
W.S.C.S. MEETING**

Mrs. Clyde Watkins was hostess to Circle 3 of the Woman's Society of Christian Service of the Methodist church Tuesday evening, Feb. 17, in the home of Mrs. Douglas Jones, W.S.C.S. president. Mrs. Zeb Sawyer led devotions from

Isaiah 5 and the study "Isaiah Speaks" by S. Paul Schilling. She very interestingly reviewed "In Trust Shall Be Your Strength," "A King Will Reign In Righteousness," and "Isaiah's Religious Teachings."

After the program a social hour was held. A sweet course was served to Mrs. J. M. Goodman, circle chairman, Mrs. Fred Cook, Mrs. I. L. Pence, Mrs. J. T. Ross, Mrs. M. C. Dickens, Mrs. Cecil Ham, Mrs. William Hickey, Mrs. Richard Seawright, Mrs. Sawyer, Mrs. D. O. McDougle, Mrs. D. P. Dinwiddie, Mrs. Daniel Nanney, Mrs. Finley Stepp, Mrs. Jones and Mrs. Watkins.

# Boys and Girls of Black Mountain Express Interest In Youth Center

One of the most interesting facets of this community's plans for a permanent youth center is the wish which many Black Mountain boys and girls themselves are expressing to be of help on the project.

One group was on hand early in the recent task of clearing the Cragmont road site of brush and trees before "Operation Youth," comprised of sponsoring elders in the town, could go ahead and clear the land. A number of young people have expressed themselves as willing to be "cleaner-upper" when the building does become a reality and is put into use. Hopes of the sponsors of this "Finer Carolina" project are that the club house can be ready for use this spring—and toward this end are urging community members to make generous contributions in a financial way.

Meanwhile, the interest of the boys and girls representative of some whom the center will serve, continues to be high. Below are excerpts from a few more compositions by Black Mountain school students which attest to this interest. It is the News' hope that others can be published in coming weeks.

By JUNE BOONE

"Operation Youth" is a plan for youth recreation.

A nice name for it would be "The Youth Center." It would be good to have a full-time director. Chaperones should always be present while activities are going on. Activities should be planned for different age groups. Crafts could be taught to the younger group. People from 8 to 18 should be allowed to attend.

Our deepest appreciation goes to all who are helping to make this plan possible.

By FLO BARNHILL

The sole purpose is to build a Youth Center where recreational activities will take place. Sports will be one activity, both indoor and outdoor, such as tennis, bowling, and possibly swimming and so on.

Some suggested ideas are needed from the young people throughout the town. A few of these are: (1) To have night classes such as typing, industrial arts, etc. (2) To have organized club meetings such as the Boy Scouts, Girl Scouts, etc. (3) To have trained instructors to enable sports to be taught, handicrafts and so on.

This program will be exclusively for young people. In my opinion this project will build stronger character and citizenship among teen-agers. Full co-operation from the teen-agers and citizens in Black Mountain is needed.

By DORIS BARTLETT

We think that the Operation Youth should be for children from the ages of 13 to 18. We think that we should have a basketball team for both the boys and girls. We think that we should have a dance room and a place to teach the ones that don't know how to dance. We think that maybe a man could teach boys and girls that would like to drive so it would be easier for them to get their driver's license. It seems, too, we might have a swimming pool with a life guard. We think that it would be nice if there were a riding ground. We think that we could use the building for Scouts and other meetings. We think we should have a room for the ones that like to do crafts and other such work. We think that we should have a director for the boys and girls. We think that we should also have a football team for the town of Black Mountain and a football coach. We think that if we have an "Operation Youth" in Black Mountain that it will be better for our town. We think that this organization will help all of

The Youth Center is a plan of recreation for young people. It will include space for such things as ping pong, soccer, basketball and outdoor space for baseball, football, and volleyball.

The building should, if possible, have instructors to teach girls sewing, cooking, housekeeping, et cetera, and boys wiring, electricity, working with their hands, learning outdoor life, how to help with a farm, learn about guns and how to use them, and hike. Fun for both boys and girls would include games, swimming, and dancing.

The young people, instead of causing trouble and worry about where they are going to spend their spare time, will find amuse-

ments to do. They will learn to get along with children their own age, while also learning good citizenship.

The center should be run by the young people themselves. They know what they most want and how to do it. They could make rules to be followed. But they should be carried out. Advice could be given by adults who enjoy working with young people.

The building could include some school lessons for the slow students. Such subjects as arithmetic, English, and spelling would be the most important. The next grade will be easier to understand. During the summer it could be a little like summer school.

Since the Blue Ridge Assembly, Recreation park, and other recreation centers and assemblies close down during the autumn and winter, there is no place for young people to go in their spare time. A youth center would be a great advantage in any community.

By BECKY HUDSON

The recreation center will provide a place for teen-agers to have wholesome fun. Contact with others will better their personalities. This should prevent juvenile delinquency by affording a place to go in one's idle time. The center can also be used as a meeting place for organizations and clubs such as Boy Scouts and Girl Scouts.

A recreational director and a committee of young people would organize activities and keep order. Rules made by the young people would be concerned with conduct on the premises and use of the facilities.

I feel that this is the best move our town has made for the youth here. I hope we will have the support of the adult citizens.

By ELAINE HAMPTON

They have had stories concerning the organization and young people in the Black Mountain News for the last month or two. Plans for the construction of the building were in the Black Mountain News and are posted at the Black Mountain Elementary school. What they want the most, besides money, are suggestions from the young people as to what they would like to have at the club and how they would like the club to be run. The site of the club is to be on the lots between the Cragmont road and U. S. 70, about one-half mile west of Black Mountain.

The young people would like to have a basketball team and a baseball team which might compete with other teams from other towns. Horseback riding, a swimming pool which would be larger than the one at the Black Mountain clubhouse. We would like for some of the young people to help take care of and run the club. We would like to have a club for people between the ages of about 8 through 18.

We express our gratitude very sincerely to the people that are helping in all that they are doing for us. We know we shall enjoy the club very much when it is finished.

By RAY CORBIN

The reason we call it "Operation Youth Center" is because it will be operated for and by young people and also older people to help us.

The reason that we hope and want to build and start "Operation Youth Center" is, because it will help and keep a lot of young people from getting into trouble, such as having gangs, staying in beer joints, breaking in houses and stores, and there are many other things that a lot of young people would do that would cause trouble.

We already have \$3,300; we need \$7500 altogether.

We need directors and coaches who will help and train us how to do in games and athletics.

The most important thing we need is your help.

### SUNRISE SERVICE IN OLD SALEM AT EASTER

WINSTON-SALEM — The 18th century Moravian community of Old Salem, Winston-Salem has set Mar. 29 for the 187th annual Moravian Easter sunrise service. The service begins at 6 a. m. in Salem square; is concluded at nearby "God's Acre," the Moravian cemetery. Music by the 400-piece Moravian church band is played during the service. Before dawn on Easter Sunday, units of the band play in every section of the city to summon worshippers to Old Salem. Special tours of the exhibit buildings in Old Salem and the nearby gardens and historic churches are scheduled during the Easter weekend.
