

RIDGECREST RAMBLINGS

—MRS. TOM E. WALTERS—
Phone: NO 9-4641

I wish you could come into our church on a Sunday morning—any Sunday morning—and see there the lovely flowers. We know there will always be a beautiful arrangement of some kind. We were here for six years and not a Sunday of that time were they absent. Mrs. R. L. May lived next door to the church. She grew and arranged them through those years. It was a real labor of love for her. The church and its activities

year in the home of the counselor, Mrs. E. F. Hardin. With an enrollment of seven, the girls have maintained an average attendance of six for the entire year. Other high grade averages were also attained. A check of the Aims for Advancement chart showed that the Auxiliary is eligible for the Honor G.A. award—the highest award given by the Woman's Missionary Union. This fine group is composed of the following girls: Deanna Belcher, Barbara Bradley, Ann Moore, Janice Peek, Joan Tipton and Sandra Wright. Mrs. Lillian Gallamore is giving over to Mrs. Larson, the Dorothy Lawton Jr. G.A.—the twelve year old group. Mrs. Gallamore has had them for nearly eight years and has done for them, and with them, an outstanding piece of work. They made the advanced grade this year, missing by only two points the honor grade.

The worship service on Sunday morning was a very meaningful one. The pastor used as his topic, "Building a Life." He emphasized God as the Architect, and pointed out that those who would build wisely must heed His commands and His warnings.

The Sunday night service was a discussion of Barnabas, the son of exhortation. It was emphasized that people all around us need encouragement. We may lighten many a load with a word. Each one has his burdens. The plea was for us to be the kind of Christian that Barnabas was.

Officers and Teachers of Sunday school will meet Wednesday at 6 p.m. at the church. There will be a covered dish supper.

On Tuesday morning at 10:30 at the home of Mrs. W. L. Hatcher the Women's Missionary society came together for their study on "World Evangelism: Overseas." Mrs. Tom Walters directed the study. She was assisted by Mrs. W. L. Hatcher in Portuguese costume who gave interesting facts about Latin America, by Mrs. R. E. Truesdell in Chinese dress, who spoke of the Orient, and by Mrs. E. F. Hardin who touched on Africa, Europe and the Near East, and by Mrs. W. P. Reeves who gave some facts about world conditions today.

A covered dish meal was brought and served at the noon hour.

On Friday evening the Young Adult Training Union met at the home of Mrs. Miller Jackson and went bearing small gifts, to the homes of our two young couples so recently residents on our hill. After their warm welcome to these young people, they went over to Paul Turner's home for a spaghetti supper.

This group is very much interested in starting a recreation program for the youth of our church. They have accepted the challenge of starting a fund looking toward building some outdoor equipment at the church. Those of you who read this may feel led to give some assistance in some way. Our youth are the hope of our churches. We do not need to let the world furnish all their recreation. On Monday night Mrs. Hatcher led the Bible study at Mills Baptist Chapel in Black Mountain, beginning the study of Proverbs.

My mother used to say, when I was learning to sew: "Be sure you are right and then go ahead." This is surely a good rule to follow in everything. Last week I said that Mr. and Mrs. Stevens were who they weren't! Mr. Stevens is the uncle of Mrs. Jimmie Day instead of her father. Anyway we are glad they are who they are and we are happy to have them among us.

Mr. and Mrs. D. R. Hill of Duncan, S. C., spent several days at their home on Buckner road this past week. Mr. Hill is a pastor and is also in the South Carolina Legislature. Mrs. Hill is one of the vice presidents of the W.M.L. of South Carolina. As they returned to their home they took Miss Ruth Wingo back to her home in Greenville, S. C. The Mills will be coming back for visits through the winter.

Miss Arvine Bell left Saturday for her home in Little Rock, Ark. She will be gone a month combining vacation with business in the interest of Camp Crestridge.

Mrs. Leonard Biddix had as her guests over the week-end her mother and father, Mr. and Mrs. Black and Mrs. Ber-

tha Ward, her maternal grandmother, from Thomasville, N. C.

Mr. and Mrs. W. M. Pate left Saturday for the gathering of the Morgan clan in Raleigh on Sunday, Oct. 4. It is a fine thing for families to get together at least once a year so that the young ones may learn a little about the roots from which they sprang.

Mr. and Mrs. Miles O. Thornburg with Mr. and Mrs. W. L. Waller of Matthews, N. C., spent the week-end in the Thornburg home here. I wonder if any of you have read Mr. Thornburg's book "The Thread of My Life." It is a book that will appeal to all who like plain humor and comment. He has travelled more than a million miles across the landscapes of America, representing not only the Groves Thread Company, but a way of life.

Miss Myrtle Ferguson from Durham stopped by to speak to the Jollays on Sunday p.m. A group from Edgemont church in Durham had been over to Cherokee to take clothing to our Baptist Mission there.

Mrs. John M. Thompson, her son, Tommie and her daughter, Nancy have moved into the home of the Rev. Cecil Perry here. Mrs. Thompson teaches at Black Mountain. They have lived in this section for several years. We are glad to have them in our midst. They are good members of the First Baptist church at Black Mountain; but we give them a cordial invitation to visit us at any time and hear our fine pastor. The son, Charles, is at N. C. State college in Raleigh.

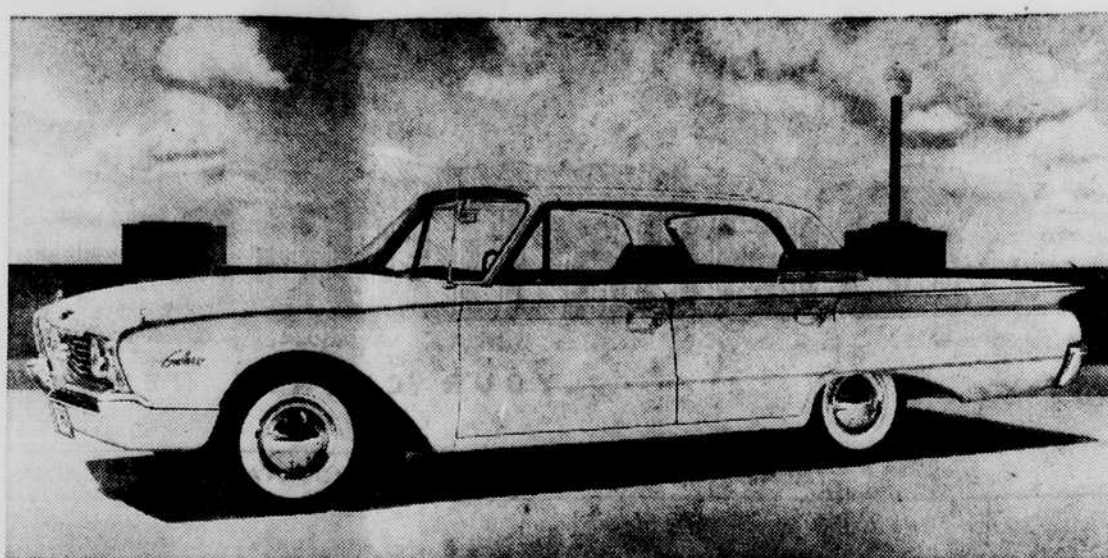

Dr. Ruth S. Johnson, daughter of Rev. and Mrs. Oswald Smith, Dr. and Mrs. J. B. Bradley from Columbia, S. C., spent the week-end with the Smiths. Miss Lora Clement came by on her way to her home in Union, S. C. Saturday and made final plans for her home to be built here. Mr. Paul Turner will have charge of it and Mr. Cline Jordan will do the building. It will be over near the Paul Turner's place. We are always happy when our retired missionaries come to live in our village.

Mr. Howard Wright and his daughter Sandra attended the funeral of Sandra's grandmother, Mrs. Gilbert Holton, in Huntington, West Virginia, the past week.

Early last week Mrs. W. L. Willis returned from Charlotte. She had an interesting time taking care of four little grandchildren while their parents, Dr. and Mrs. Tom Burnette, attended a medical meeting in Cincinnati, Ohio. Irvin Willis of Shelby spent the past week with his parents as he worked out of Asheville.

Mr. and Mrs. J. C. Bannister of Asheville spent a few days with their daughter, Mrs. Neils Larsen, last week. On Sunday, Oct. 4, Mr. and Mrs. Mac Burnett, Mrs. Della Hurst, Mr. and Mrs. E. Y. Moore attended the annual homecoming at North Fork Baptist church. Chaplain Deyo Williams brought a splendid message at the morning hour. After one of the beautiful dinners, for which this group is famous, Mac Burnette had charge of the afternoon program, which featured "The Sheriff's Quartette" and many other musical selections.

Those who know only the Ridgecrest of the summer wonder what we, who live here, do with our time in the other nine months of the year. We have a marvelous community. We are always "sorter" glad when the summer is over so we can have time to cultivate the great spirit in our midst. There is never a dull moment, at least, not for me. There just is not enough time to do all the nice things I want to do. People are the most interesting things in the world. In the mad rush of today many have forgotten that. In reaching after the baubles out yonder, let us realize there are rare jewels just next door, or down the hill, or in the next cove. We are so grateful for our Ridgecrest and for the people in it.

This 1960 Ford Galaxie Town Victoria shares the all-new styling characteristics of the other Ford models, yet bears unmistakable resemblance to the elegant Thunderbird profile. The new Galaxie is one inch lower than the 1959 model, but has more interior room for six big persons than ever before. The Galaxie also is available as a two- or four-door sedan. All Fords for 1960 have the slim-line, forward sloping front roof pillar that eliminates the "dog leg" for easier entry.

MRS. W. TENDLER ENTERTAINS CLUB

Mrs. William Tendler of North Blue Ridge road entertained the "Sew-Or-Not" club at her home Monday, Sept. 27, with a dessert luncheon.

Members present were Mrs. Fannie Fitzgerald, Miss Sarah Kirby, Misses Caroline, Bernice, and Ruby Hall, Mrs.

Helen Oates, Misses Lella and Bessie Zernow, and the hostess.

Guests were Mrs. Grace Nicholson and Miss Ruby Joffe. The October meeting will be at Fairlawn Lodge.

Announcing! A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but three new lines of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!
2. The 1960 Falcon—The New-size Ford, the world's most experienced new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Introducing the New-Size Ford . . . the 1960 Ford Falcon

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxed Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the difference!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlans. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on regular gas. To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!
