That's right, voters. Heinz Rollman guarantees not to return any mud that may be thrown by any honorable Russell, Charlie Aiken, Jr., at the Monte Vista hotel win- opponent. Nor will he answer any distortions or lies. Few candidates for Congress in our land have written of the Get Acquainted club as many books and articles as has Rollman. It is easy were: north - south, Charles to take a sentence or a paragraph and create the wrong picture. If you have any doubts, ask Rollman for reprints of the whole article. He has learned something the others have not learned as yet; and that is that almost 19,000 people believe in a clean campaign. They voted for him last time, although they had to wade through mud thrown by the other side.
