

10TH BIRTHDAY—
(From Page 1)

the executive board presented her with a president's pin.

A new member, Mrs. Arthur Schneider, gave a fitting program of piano selections including "Spring Song" by Mendelssohn, and "Rain Drop Melody" by Chopin.

Miss Charlotte Dudd and Mrs. Ireson of Montreat college, accompanied by Miss Flo Brubaker, presented a group of songs by local composers, Lawrence Barnhill.

These singers are favorites of the club members as they are composer and her daughters as they have all been presented in previous programs.

Mrs. Edna Johnson gave a most delightful "life sketch" of the retiring president, listing many of the accomplishments of the club during her leadership during the past two years. Important among these achievements were the participation in social and cultural movements in this area; the development of an international affairs department which sponsored a meeting; an educational department which presented various programs; a regular sheet for members; a contribution to the Owen High fund; a Get-Acquainted Club, organized with social plans for newcomers and other citizens; card clubs; a

sketching class; and a bird watchers club. The sketch class presented art and musical programs for guests of the Monte Vista each Monday night last summer in an effort to show Mr. and Mrs. Phillips the club's appreciation for their gracious hospitality to so many civic and cultural groups throughout the year.

With 110 paid members, this is the largest club in Black Mountain. In retiring Mrs. McMurray paid tribute and gave credit to her officers and committee members for their loyal support and efficiency. With her never-failing sense of humor she presented the present elect; who with the following officers will open next year's program at Ridgecrest Assembly in September: first vice-pres., Mrs. Max Woodcock, second vice pres., Mrs. Gordon Greenwood; 3rd vice pres., Mrs. Edna Johnson; rec. sec., Miss Edith Van Duzen; cor. sec., Mrs. Dick Wyrick; treas., Mrs. Albert Jern; and reporter, Mrs. Mary E. Aleshire.

A double board meeting was held May 9 in the new home of Mr. and Mrs. C. Cliff Meyer on McCoy Cove road at 10 a.m. Both the retiring and in-coming executive boards convened in this closing business session of the year when next year's tentative programs were listed and

What's Goin' . . . At Owen

by Tim Spiro

What's goin' at Owen? By now the final exams have gone, thank goodness. Monday we had science exams, Tuesday, English, Wednesday were the math tests, and Thursday the other courses' tests were scattered during these four days. Now final exams are over. We shall have six weeks tests near the end of school.

Seniors, there are only 16 more days of high school. Sixteen days of school before we go off to work steady jobs or to college.

The Music club had its last meeting of this school year Monday last week. The members took food and pooled it all, re-distributed it, and feasted. After the meal the senior members were recognized. Then followed dancing until nine o'clock. Mrs. Mary Freeman is the sponsor of this club. The new officers were

committees appointed. This charming home with its perfect appointments provided a suitable setting for the delicious refreshments and social hour offered by Mrs. Meyer and her assistant hostesses, Mrs. Jern and Mrs. Benedict.

A motion was entertained to repeat the Hobby and Craft show which proved so popular last year when held in the social room of the State Street Methodist church.

Dr. W. Kline
Rotary Speaker

The regular meeting of the Black Mountain-Swannanoa Rotary club was held at the Monte Vista hotel Monday at 12:15 p.m.

Dr. Wm. Kline, teacher of sociology at Warren Wilson college at Swannanoa for the past six years, gave a resume of his life history. The doctor was born in Redding, Penn. His father was a minister of the Evangelical Reformed church and later of the Presbyterian church.

During his early years he did community work in New York City slum area, and as well as other places where his family moved. His education was obtained both in Ohio and New York state. He started studying Theology; later changed to history, then to sociology.

Dr. Kline's teaching career started in the high schools of New York state. He has been teaching sociology for the last six years in Warren Wilson college.

He stated the greatest need of our times is better human relations, and said Rotary's philosophy of "building bridges of friendship in the world" was one of the best
