

MONTREAT

Miss Julia Stokes

The first meeting of the Montreat Woman's club was held on Monday, July 4, at 3:30 p.m. Please note change in time. The speaker was Thomas P. Stixrud, missionary on furlough from the Congo. He gave a most interesting account of the work there and showed many interesting curios of Africa. A good crowd attended the meeting; a social hour was held after the meeting. The hostesses were the people who live on Texas road.

Mrs. Emmitt Anderson was chairman of the service. A group of young people from the Covenant Presbyterian church, Charlotte, held a retreat for a few days this past week in the Bryan cottage. Dr. and Mrs. Harry Bryan were sponsors.

The Conference on Church School Administration will meet July 14-17. Rev. Harold M. Fuller, Jr., is director. The preacher for Sunday, July 17, is Dr. William Kennedy, Associate Professor of Christian Education, Union Theological Seminary, Richmond, Va., for the 11 a.m. service in Anderson auditorium, and for the 8 p.m. service will be Dr. Newman Faulconer, pastor of 1st Presbyterian church, Greenville, S. C.

The Woman's Advisory Council is meeting July 15-29. Mrs. R. E. Wallin, Columbia, Mo., is chairman. The Woman's Conference will be July 20-26. Many fine concerts are being given by the members of

the Conference on Church Music which is meeting in Montreat July 7-13. On Sunday at 3 p.m. an organ recital was given by Wyatt Insko, conference accompanist. On Monday at 8 p.m. an organ lecture recital was given by Vernon de Tar, Church of the Ascension, New York City. On Wednesday the final concert will be given. This is composed of conference choirs of adults, young people, and children and was open to the public.

The morning worship service was held in Anderson auditorium at 11 a.m. on Sunday. Dr. Warner Hall preached on "The Basis of True Worship." Special music was furnished by the conference choir which had to sit in the front of the auditorium because the organ with the pipes almost completely filled the stage and place where the choir usually sits. Dr. Harr was also the preacher for the 8 p.m. service.

The Westminster Fellowship met in Gaither chapel at 4 p.m. Sunday and the Pioneer Fellowship met at 7 p.m. on Winsborough porch.

The Bible hour was held in Gaither chapel at 10 a.m. each day with Dr. Paul Tudor Jones, pastor of Idlewild Presbyterian church, Memphis, Tenn., as leader.

The Cottage Owners association will meet on Friday, July 15, at 3 p.m. in room 15 at rear of Anderson auditorium. Frank Anderson is president. All members of any new cottage owner is invited to join. Matters of interest to all will be discussed. Word has been received of the death of Mrs. A. C. Bridgeman on Sunday in Decatur, Ga. She made her home with her daughter, Miss Josephine Bridgeman, a member of the faculty of Agnes Scott college. Mrs. Bridgeman's health had not been good for several years, but she had been able to go about and to have come to her cottage on Mississippi road this summer for a short stay. She is survived by three daughters and a son, the Rev. Bridgeman, pastor of the Presbyterian church, McCallanville, S. C., formerly a missionary in China.

Mr. and Mrs. Thomas P. Stixrud and three children are in the Potter cottage for the summer. They are missionaries to Congo and were to return to their mission work in the Congo but were delayed because of the unsettled condition of the country at this time.

Mr. and Mrs. C. A. Stubbs had as guests last week Mrs. Stubbs' brother, J. S. Denny and family of Raleigh. Mrs. R. L. Denny, Bobby and Gayle of Spencer, and Kirk Denny of Wilson. J. S. Denny took a group of the boys, Don Stubbs, Bobby and Kirk Denny, and Steve Barden on a camping trip to Pisgah for a few days.

Rev. and Mrs. Miles C. Wood and two young sons of Statesboro, Ga., are spending several days with Mrs. M. C. Wood and Miss Winifred Wood.

Miss Grace Hardie has returned from a trip to New York and New Jersey. She was with her sister, Mrs. W. T. Bell in Glen Ridge, N. J., for a week. She spent a few days in Washington, D. C., visiting Miss Josephine Gregory, who returned with her for the remainder of the summer. Miss Hardie also has as a guest Mrs. Emily Miller Danton of Birmingham for several months' stay.

Dr. Nettie Grier, Miss Lucy Grier, and Mrs. Sam Woods had as guests for a week Mr.

Mr. and Mrs. George Moray were chosen as "Mr. and Mrs. First Nighter" last week at the Silo Circle Playhouse. They were greeted by John Stephen Cox, public relations director, given two front row seats, and were guests for dinner afterwards.

Hunting Rules Are Proposed For 1960-61

The most important suggested change over last year's hunting regulations involves quail hunting in six northwestern counties. In Ashe, Alleghany, Watauga, Mitchell, Yancey, and Avery counties, it is proposed to have a short season from November 24 through December 15, with a bag limit of four birds daily, eight in possession and fifty for the season.

The following proposals will be presented for managed hunts:

1. Increase the number of early season bear and boar hunts on Santetlah from four last year to eight this year.
2. Increase the buck season on Harmon Den from one week last year to two full weeks this year.
3. Reduce the quota for the Chestnut Mountain wilderness hunt from 50 to 30 and provide an additional wilderness hunt with a quota of 20 on Upper Creek.
4. Initiate deer hunting on the Croatan area with two early still hunts of one day each, and two party hunts

with dogs. Both of these hunts to be conducted in the same manner as those on Holly Shelter.

5. Initiate antlerless deer hunts on Fires Creek, Standing Indian, Harmon Den, Rich Mountain of Rich Laurel, and Curtis Creek of Mt. Mitchell. These doe hunt areas to be added to those on which doe hunts have been conducted in the past.

6. All doe hunts to consist of two half-days with no advance application required. All high pressure area antlerless deer hunting to begin at 2:00 p.m. on the first day and 12:00 noon on the second day. All new and low pressure area hunting to begin at 12:00 noon on the first day and 10:00 a.m. on the second day.

High pressure areas are listed as follows: Pisgah, South Toe of Mt. Mitchell, Fox Camp of Daniel Boone, Uwharrie, Thurmond Chatham, and Sandhills. Low pressure areas are considered to be the following: First Creek, Standing Indian, Harmon Den, Rich Mountain, Curtis Creek, Edgemont, Kawana, and Rose Mountain.

7. Omit advance applications on all buck hunts other than wilderness. Use delayed opening to control opening day hunting pressure on high pressure areas. Delayed opening to be 12:00 noon on the first day and 10:00 a.m. on the second on Pisgah, South Toe, Fox Camp, Thurmond Chatham, and Harmon Den. Uwharrie buck hunts to start at 2:00 p.m. the first day, 1:00 p.m. the second day, and 12 noon the third day.

8. Minors under 16 years of age may not participate in any of the big game hunts other than archery. On archery and small game and raccoon hunts minors under 16 years of age may participate if accompanied by a parent or guardian provided they have a valid permit.

Commercial Shooting Preserve

Also proposed at the hearings will be a change in oper-

ating rules for commercial shooting preserves.

On licensed Controlled Shooting Preserves holding extended season permits, bobwhite quail or wild turkeys may be killed or taken by shooting only and without regard for sex or bag limits, provided that all birds shot and possessed are packaged and marked with the name and address of the possessor, the number and species of birds contained therein, and a statement that the package may be opened for inspection by a wildlife protector; and provided further that the said package is accompanied at all times by a receipt completed and signed by the preserve operator or his agent.

Party for Miss Griffin
Mrs. F. S. Woodard, Miss Josephine Woodard, and Miss Evelyn Roberts entertained in honor of Miss Vivian Griffin, a bride-elect, on Thursday, July 7, at a miscellaneous shower in their home on Montreat road. The house was lovely in garden flowers, Mrs. H. D. Crawford served punch, and Mrs. Harold Coburn assisted in entertaining. Sandwiches and cakes were served to some 25 guests. The gifts were presented in a most attractive way in a suitcase.

Many other parties are given this week in honor of Miss Griffin, who is to be married in the First Presbyterian church on July 31 at 4 p.m.

Sen. Erwin Says:

Washington — Now that Congress is in recess for the party conventions, it appears that this in fact the calm before the legislative storm.

Controversial Bills — There are many bills scheduled for debate upon the return of the Senate on Aug. 8. They are highly controversial and, as I have stated before, should be put over until the 87th Congress in January. Anyone who follows the national legislative program can immediately detect the controversy that will arise upon such bills as revision of the Social Security Act, minimum wage increase and broadened coverage, foreign aid appropriations, to mention only a few. Undoubtedly there will be some attempt to solve the dilemma around the aid-to-education bill which has passed both Senate and House but in different versions, the House adding the completely unacceptable Powell amendment.

ATMOSPHERE — Put these bills on the Senate floor in a political atmosphere and there is no telling now what will happen. Moreover, if the Senate wishes to press for action on these bills when we return in August, it is a good guess that we will be in session for a long time. The Senate will get a week's start on the House by coming back on Aug. 8, but the House has already passed minimum wage and Social Security revision bills before leaving for the recess.

Sugar Act Extension — The Senate was in session all night before taking its recess in an effort to pass the Sugar Act extension bill. Its passage was accomplished but not until the early morning as Washington church bells were ringing. As you know, President Eisenhower has acted under the terms of the legislation. It is impossible to predict the future of our relationships with Cuba which has been a major source of our sugar. The situation is extremely bad.
