### REC PROGRAM

(From Page 1)

quirements ended this activity. Many other games were participated in at the Youth Center. Besides tournaments in croquet, checkers, chess, table tennis, bocce, shuffleboard, paddle tennis, tether ball, and badminton, the youth of Black Mountain joined in the following activities: scoop, frisbie, quoits, horseshoes, softball, volleyball, touch football, soccer, carroms, dominoes, darts, sand sculpture, crafts, arts, snap, authors, rummy, hearts, pinocle, Chinese checkers, bowling, box hockey, battleship, folk tales, movies, film strips and slides.

There were hikes, too, the first to Mt. Lookout, then Greybeard, a trip over Rainbow Trail by another group, a visit to Dr. Snyder's laboratory in Montreat, a hike down the ridge to Old Fort, and finally the hike down the old dirt road by Andrew's Geyser with a picnic, and the fun of returning by train from Old Fort.

Remember the rocket on Operation Youth's July fourth float? On the front of the float the wording, "Recreation Special", on the rocket, "Going Places", and on the rear of the float "Fun Bound". The rocket has been launched; many people have enjoyed the fun thus far with more to come.

Lend your support and climb aboard with Operation Youth!
