Human Steam-rollers

The Owen High Oarhorses must have felt as if they had been run over by a giant steamroller last Friday night when they tangled with Lee Edwards at Memorial Stadium. Our boys gave 'em a real good battle for most of the game but injuries on time began to tell on the lighter and less experienced Warhorses who went down to defeat to the tune of 30-6.

Injuries to several key players on the Owen squad hampered them considerably and what must be the heaviest line of beef in Lee Edwards' front didn't do much to help the situation. Two of the big factors in the Lee Edwards victory were two boys from Swannanoa of all places. Hoyt Ballard, who lives just below this reporter on Northeast avenue in Grovemont, is probably one of the fastest and most versatile players on the grid lineup of Cap Isbill. Another stalwart performer for Isbill is big Bud Hipp (all 230 pounds of him) who hails from down Bee Tree road way. Time after time this big boy hit the Owen ball-carriers with bone-crushing tackles.

Reports today (Monday) indicate that three and possibly four starters will see limited or no action in the game at Owen Friday night. We don't often single-out individual players but this week we couldn't keep from mentioning the tremendous kicking of one Cecil Caldwell. This boy looks like another Joe Robinson in the making. Those punts he was getting off last Friday were on par with college kickers. We would also like to mention the fine passing of Marvin Harper who connected with Jackie Hughes and Howard Lewis for good gains, and then to big Bob Lowe who gathered it in and carried it on to pay dirt during the second quarter of Friday night's game.

I wish it was possible to single out the entire squad for giving all they had against Lee Edwards but space does not permit. We will just say good luck to the team this coming Friday night and say that we hope all the fans in the area will turn out to see the game. Grandson of Swannanoa Woman Wins Merit Badges

This is about a young 13 year old boy who like most youngsters his age is a boy scout. Second class Scotty McCall earned his life saving and swimming merit badges this summer after many long hours of hard work to master the tough requirements for the badges. Most any young boy is proud to be able to give himself a badge, but to Scotty it meant just a little bit more because he is blind.

Scotty who is the son of Mr. and Mrs. William H. McCall of Americus, Ga., and the grandson of Mrs. Edna McCall of Bee Tree road, Swannanoa, upon informing his father of his accomplishments said that he was so thrilled over winning the badges that he could hardly wait to get them sewn on his merit badge sash.

Scouting is Scotty's greatest love presently and only recently did he become a Second Class Scout. After winning this badge, his comment was: Second class down, First class to go. Most of all he hopes to win the highly coveted Eagle badge. His proud father says that he'll do it too because he has the determination.

This fall Scotty will return to the Georgia Academy for the Blind at Macon where he will enter the eighth grade. An award which he values very highly is one given him by fellow campers at the United States Marine Supply Base in Albany, Ga., where they voted him the individual with the Most Scout Spirit.

Besides scouting, Scotty's other prime interest is Morse Code. He has passed requirements for this merit badge and hopes soon to become a "ham" operator—and you can bet your boots that he will do just that.

This young boy although handicapped by blindness has had the faith and willpower to prove himself equal to his fellow scouts in mastering the requirements for his merit badges. We hope some day to be able to write about Scotty McCall being awarded the Eagle Scout badge, and we sincerely believe that day will come. Judge Brigman is Bride of Bruce Reed

Miss Judy Brigman, daughter of Mr. and Mrs. A. R. Brigman of Biltmore, became the bride of Bruce H. Reed, son of Mr. and Mrs. Horace W. Reed of Riverview road Saturday evening at the home of the bride.

The ceremony was performed by the Rev. Morris Banks of Pleasant Grove Baptist church. Mrs. Reed is a graduate of Enka High school and Mr. Reed graduated from Biltmore High school.

At present Mr. Reed is employed at Beacon Manufacturing company.

WELL LIGHTED TOWN

Black Mountain is one of the best lighted small towns in the country. I arrived at this conclusion after returning from a trip through several states and Southern Canada. We saw no small town with any better lights than we have here and many with a system not as good. Congratulations are certainly in order for the mayor, town board, and the town manager.
