BOTH WERE GOOD! If he'll come back I promise not to mention even once that State won the ball game because of two things: a rock-ribbed defense that re-

fused to give inside the 20 and one of the best quarterbacks in the country, Gabriel of Wilmington. This boy is exciting to watch even when thrown for loss trying to get a pass away. He runs around in the backfield side stepping

would-be tacklers and carrying the ball in one hand as if it had a handle on it. State was lucky to win but luck wasn't the whole story. Earle Edwards kept shuttling big men and fast men into the game at strategic moments and in the finl analysis this made the difference. He had the big
