

**Blue Monday Has Turned Gray**  
Down through the years the day following Sunday has always been known as "Blue Monday" but for the past couple of weeks the blue has turned into a dismal gray. Today (Monday) is almost a carbon copy of last Monday; what with rain, wind, cold and "gray" in general. And what's this? The weatherman calls it a possible snowflurries to... He should have his mouth washed out with octagon soap for uttering those words of displeasure. Lofty old Mount Mitchell measured four inches of rain's air... ruffier last week so it's not far off. I still think the weatherman was giving the forecast for Frazier, Colo. (It's eternally cold at that place.)  
Getting back to "Blue Monday" (which is play havoc with the continuity of this article) if everyone is as busy as this reporter on Monday they wouldn't have time to be blue. They might possibly turn blue from disgust over not being able to accomplish all that is set before them to the Christmas Cards.

Knowing all too well that I have a deadline to meet with my column, the old noodle is taxed to its limit in preparing the weekly happenings. All the while we are taking time out to sell Christmas cards to a customer who has dropped by. By the way if anyone needs any Christmas cards, just give me a call and we will be happy to fix you right up. (Thanks Boss for the free plug—I hope!)  
So you see, I don't have time to be blue on Monday. We could use a new head though, because I'm sure an X-ray would reveal nothing but a hollow shell. This reminds of what Wade "Gob" Martin said about the time his head was X-rayed after he was hit playing baseball. He said that the doctor told him he couldn't see a thing in his head. Gob, my friend, there should be a couple of baseballs floating around in there at least! He's a good boy though. Something New in Recreation  
A new nine-hole Pitch 'n' Putt golf course was opened Monday, Oct. 31, at Nolan Field by the recreation department of Beacon.

Wade Martin who is in charge of the project told this reporter Monday that the course is open to anyone in the Swannanoa Valley at no charge whatsoever. Company officials have extended an invitation to all residents of the Valley whether they are employed at Beacon or not, thus keeping a long company tradition of free recreation for which they are to be commended. Special plaundis go to Charles D. Owen, company head, who has backed the recreation program wholeheartedly. Also to Herb Coman, personnel manager, who has provided much needed equipment for the program. Last but not least, to Wade "Gob" Martin, the hard working recreation director at Beacon who has used his talents to co-ordinate the entire sports program both summer and winter.

The Pitch 'n' Putt golf course will remain open throughout the winter (barring severe weather such as last February and March) with the possibility of a tournament at the end of the season which will be March 31, 1961.  
Awards will be presented for the lowest score of each month also for any hole-in-one that might be made. A grand award will be awaiting the individual low scorer of the season.

The only equipment needed to play Pitch 'n' Putt will be a No. 9 iron and a putter along with a couple of golf balls.  
All of you golf enthusiasts keep on over to Nolan Field and next season, you non-golfers, you not give it a try, especially the young couples. Learn how to play now and enjoy yourselves.

We received a letter from Mrs. Robert Carson of Greensboro last week and were very

run Montreat for religious purposes.  
In 1916 a normal school was opened on the grounds.  
Today Montreat is on the threshold of the largest service to Christianity in its long career. All debt is cleared and in November 1960 it will have a fully accredited college and year round operation.  
Montreat has some 450 cottages besides the assembly and college buildings and 5,000 acres of land. Only a small part of this acreage is used at present, but the corporation has called the Asheville Development Council for advice on the future development of Montreat and the further use of its lands.

**WARHORSES PLAY—**

happy to learn of its contents. The Carsons are formerly of Swannanoa and still have a great number of friends here. Their son Bobby was involved in an automobile accident prior to his completion of high school. After quite a few years Bobby decided to take a correspondence course in high school from American School located in Chicago, Ill. With a lot of courage and determination Bobby recently received his diploma which we can truthfully say was well deserved. Congratulations Bobby from everyone in Swannanoa.

**- Attend Your Church Regularly! -**

**PERFECT PEACE!**

**I LOOK NOT BACK: God knows the fruitless efforts, The wasted hours, the sinning, the regrets; I leave them all with Him, who blots the record, And graciously forgives and then forgets.**

**I LOOK NOT FORWARD: God sees all the future, The road, that short or long, will lead me Home, And He will face with me its every trial, And bear with me the burdens that may come.**

**I LOOK NOT AROUND ME: Then would fears assail me, So wild the tumult of earth's restless seas; So dark the world, so filled with woe and evil, So vain the hope of comfort and of ease.**

**I LOOK NOT INWARD: That would make me wretched, For I have naught on which to stay my trust; Nothing I see save failure and shortcomings And weak endeavors, crumbling into dust.**

**BUT I LOOK UP: Up into the face of Jesus, For there my heart can rest, my fears are stilled, And there is joy, and love, and light for darkness, And PERFECT PEACE, and every hope fulfilled.**
