A3J-1 "VIGILANTE"
DESTINED TO LIVE UP TO HER NAME, THE VIGILANTE IS THE NEWEST NAVY CARRIER ATTACK PLANE. DESIGNED BY NORTH AMERICA, THE A3J-1 IS POWERED BY TWO J79 JETS WITH COMBINED THRUST OF MORE THAN 24 THOUSAND POUNDS. WITH THE INTRODUCTION OF THE VIGILANTE, THE FLEET WILL HAVE AN ALL-WEATHER ATTACK WEAPON CAPABLE OF DELIVERING NUCLEAR WEAPONS AT SUPERSONIC SPEEDS.

always been easy to hold the seat either, but hold it he has and with great influence and prestige for his people.

Only 43 years old, he is an alumnus of the University of North Carolina and an active Methodist. He was a lieutenant in the U. S. Navy from 1943 until 1946. His wife is the former Nancy Horney. They have two children—Nancy, who is now 16 and William Lunsford, Jr.

Keep an eye on Crew during the 1961 session, for he will be one of the most influential men in the State Senate.

DOWN A LOT—Well, how many Christmas cards did you get this year? We didn't keep count of ours—but reports we get from friends and otherwise indicate a sharp slackening off of Christmas card business. Some post offices say the mailing of Christmas cards has been going down steadily since 1958. But New Year cards are not so plentiful. . . so here's our message to you as we continue on the run: May peace, good health and happiness be yours in 1961.

Veterans News

Here are authoritative answers from the Veterans Administration to questions of interest from former servicemen and their families:

Q — I went on VA's pension roll this year, under the new system effective July 1, 1960, and I understand I will receive an income questionnaire soon, which will ask about my net worth. Will you explain this term for me, please?

A — Net worth for VA pension purposes is the market value of all the property you own except your home and personal belongings necessary for your day-to-day living, such as your automobile, clothing, household furniture, jewelry, and the like—anything necessary for your day-to-day living.

Q — Does the VA have any sort of a Christmas gift certificate arrangement whereby I could give a patient friend the certificate and let him choose a gift himself, up to the value of the certificate?

A — Yes, only the certificates are coupons sold in books. The Coupon Books are sold for as little as fifty cents, or as much as five dollars, for each book. The patient spends the coupons at his hospital canteen, picking out whatever pleases him. Just write a letter to the manager of the VA hospital your friend is in. Tell him what you want.

Q — Are there any restrictions on GI insurance that would make the policy invalid if the veteran is engaged in a hazardous occupation?

A — There is no such restriction on GI insurance. The veteran may engage in any occupation, no matter how hazardous, without altering the terms of his policy or the amount of his premium.

Q — I understand that by a new law a World War II veteran now has until July 25, 1962, in which to file an application for a GI loan. Just what steps toward getting a loan have to be taken by that date?

A — By that date, a lender must at least have agreed to make the loan and must have requested VA's approval. The new law places no limitation on the time needed to complete the deal, once your lender has agreed and asked for VA's approval.

Q — This is not a contract involving an interest in land, since the cutting and delivery of the logs by the owner constitutes a conversion of the standing timber from real property into personal property. Bailey has merely agreed to sell the lumber company personal property that was once real property. The transaction does not involve a transfer to the lumber company of an interest in land.
