City carriers will leave the office at 8:30 a.m., and will arrive approximately one hour earlier at all stops. Mails for delivery to lock boxes in the office will be distributed by 8:00 a.m. It is believed that this will be a distinct advantage to business firms. The rural carrier will leave the office at 9:00 a.m. and will operate one hour earlier along his route. Mr. Williams would also like to remind patrons of the new Wednesday and Saturday service window schedules. Effective June 3, 1961, the service lobby will be closed at noon on each Saturday; thereafter the office will be open all day on Wednesday.
