

DEVOTED 100% TO OUR COMMUNITY - THE GROWING SWANNANOA VALLEY

VOL. 16

REFLECTIONS

Gordon Greenwood

OMATOES?

Are tomatoes really growing on the potato plants at e home of Charles Logan, 308 Vance avenue, as we reorted last week? We wondered about this

and had many interesting disssions without getting any earer a solution. Then on Friday morning

we had a scientific explanation from Dr. Elmer C. Pritchard, professor of biology at Stetson University, stationed at the U.S. Nav-Deland, Fla. Since he took his Ph.D. in botany at the University of North Carolina, Dr. Pritchard should be familiar with all the petanamo Bay, Cuba. cularities, if any, of the
